Consumer Boycotts Monroe Friedman, 1999 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company *Consumer Boycotts* Monroe Friedman, 2002-05-03 Despite the increasing occurrence of consumer boycotts little has been written about this form of social and economic protest This timely volume fills the knowledge gap by examining boycotts both historically and currently Drawing on both published and unpublished material as well as personal interviews with boycott groups and their targets Monroe Friedman discusses different types of boycotts from their historical focus on labor and economic concerns to the more recent inclusion of issues such as minority rights animal welfare and environmental protection He also documents the shift in strategic emphasis from the marketplace cutting consumer sales to the media securing news coverage to air criticism of a targeted firm In turn these changes in boycott substance and style offer insights into larger upheavals in the social and economic fabric of 20th century America *Consumer Survival* Wendy Reiboldt, Melanie Horn Mallers, 2013-11-26 Designed to empower readers to advocate for themselves and others this wide ranging encyclopedia reveals a surprising range of resources and options that consumers have at their disposal The only book of its kind this two volume alphabetically arranged reference covers a broad array of topics related to consumer rights including those of interest to often overlooked populations such as older adults veterans and the homeless Specific entries address critical areas including food and product safety housing health care the financial industry the automobile industry and telecommunications The encyclopedia reviews the historical development of the consumer movement examines beliefs and values that drive the movement and identifies agencies and laws intended to safeguard consumers Expert contributors discuss key current issues as well as those likely to arise in the future Vignettes and case studies are used throughout and various sometimes contrasting viewpoints are shared to help readers better understand the content Related topics are easily discovered through a see also list and additional readings are provided at the end of each entry *A Culture of Engagement* Cathleen Kaveny, 2016-03-01 Religious traditions in the United States are characterized by ongoing tension between assimilation to the broader culture as typified by mainline Protestant churches and defiant rejection of cultural incursions as witnessed by more sectarian movements such as Mormonism and Hassidism However legal theorist and Catholic theologian Cathleen Kaveny contends there is a third possibility a culture of engagement that accommodates and respects tradition It also recognizes the need to interact with culture to remain relevant and to offer critiques of social political legal and economic practices Kaveny suggests that rather than avoid the crisscross of the religious and secular spheres of life we should use this conflict as an opportunity to come together and to encounter challenge contribute to and correct one another Focusing on five broad areas of interest Law as a Teacher Religious Liberty and Its Limits Conversations about Culture Conversations about Belief and Cases and Controversies Kaveny demonstrates how thoughtful and purposeful engagement can contribute to rich constructive and difficult discussions between moral and cultural traditions This provocative collection

of Kaveny's articles from Commonweal magazine substantially revised and updated from their initial publication provides astonishing insight into a range of hot button issues like abortion assisted suicide government sponsored torture contraception the Ashley Treatment capital punishment and the role of religious faith in a pluralistic society At turns masterful and inspirational A Culture of Engagement is a welcome reminder of what can be gained when a diversity of experiences and beliefs is brought to bear on American public life The Politics of Economic Life Martin
