Crimes of Art and Terror Frank Lentricchia, Jody McAuliffe, 2007-11-01 Do killers artists and terrorists need one another In Crimes of Art and Terror Frank Lentricchia and Jody McAuliffe explore the disturbing adjacency of literary creativity to violence and even political terror Lentricchia and McAuliffe begin by anchoring their penetrating discussions in the events of 9 11 and the scandal provoked by composer Karlheinz Stockhausen s reference to the destruction of the World Trade Center as a great work of art and they go on to show how political extremism and avant garde artistic movements have fed upon each other for at least two centuries Crimes of Art and Terror reveals how the desire beneath many romantic literary visions is that of a terrifying awakening that would undo the West s economic and cultural order This is also the desire of course of what is called terrorism As the authority of writers and artists recedes it is criminals and terrorists Lentricchia and McAuliffe suggest who inherit this romantic destructive tradition Moving freely between the realms of high and popular culture and fictional and actual criminals the authors describe a web of impulses that catches an unnerving spirit Lentricchia and McAuliffe s unorthodox approach pairs Dostoevsky s Crime and Punishment with Martin Scorsese s King of Comedy and connects the real life Unabomber to the surrealist Joseph Cornell and to the hero of Bret Easton Ellis s bestselling novel American Psycho They evoke a desperate culture of art through thematic dialogues among authors and filmmakers as varied as Don DeLillo Joseph Conrad Francis Ford Coppola Jean Genet Frederick Douglass Hermann Melville and J M Synge among others And they conclude provocatively with an imagined conversation between Heinrich von Kleist and Mohamed Atta The result is a brilliant and unflinching reckoning with the perilous proximity of the impulse to create transgressive art and the impulse to commit violence

Dostoevsky at 200 Katherine Bowers, Kate Holland, 2021-07-20 Marking the bicentenary of Dostoevsky s birth Dostoevsky at 200 The Novel in Modernity takes the writer s art specifically the tension between experience and formal representation as its central theme While many critical approaches to Dostoevsky s works are concerned with spiritual and philosophical dilemmas this volume focuses instead on questions of design and narrative to explore Dostoevsky and the novel from a multitude of perspectives Contributors situate Dostoevsky s formal choices of narrative plot genre characterization and the novel itself within modernity and consider how the experience of modernity led to Dostoevsky s particular engagement with form Conceived as a forum for younger scholars working in new directions in Dostoevsky scholarship this volume asks how narrative and genre shape Dostoevsky s works as well as how they influence the way modernity is represented Of interest not only to readers and scholars of Russian literature but also to those curious about the genre of the

novel more broadly Dostoevsky at 200 is pathbreaking in its approach to the question of Dostoevsky's contribution to the novel as a form

Criminology in criminal justice Alexandre Chitov, 2022-04-01 On behalf of Chiang Mai University Press editorial team I would like to thank for your interest in this book *Criminology in Criminal Justice* by Alexandre Chitov In my opinion the book comes out in the right time In the past few years the global communities have experienced a change in the way in which justice is defined Mainly this comes from social and cultural divides which have affected legal practices in many countries While providing an explanation on foundational concepts and the way in which each concept derives from the author utilizes case studies from many places which help us understand these foundational ideas in criminology in a more critical way I hope that the endeavor in the book would benefit not only law students but also other lay people who are interested in criminology

The Seduction of Pessimism in the Novel Tom Ribitzky, 2024-10-31 *The Seduction of Pessimism in the Novel* Eros Futility and the Quarrel with Philosophy explores the novel as a response to the Platonic myth that narrates the rift at the core of our being Eros is supposedly the consolation for this rift but the history of the novel documents its expression as one of frustrated desires neuroses anxieties and cosmic doom As if repeating the trauma from that original split in Plato a split that also divides philosophy from literature the novel treats eros as a site of loss and grief from the medieval romances to Goethe Emily Brontë Proust Mann Woolf D H Lawrence and Nabokov The pessimism that emerges from this eros tells us

something fundamental about who we are something that only the novel can say At a time when both education and leisure are increasingly ignoring the novel s imperative to sit with ambiguity complexity and contingency and as we are hurtling toward a bleak future of climate catastrophe and political instability the novel is one of the last bastions of humanity even as it is quickly being eroded
