Criminal Procedure II From Bail To Jail Examples And Explanations 3rd Edition:

Criminal Procedure II Richard G. Singer, 2005 This new study guide is designed for criminal procedure courses covering all the post arrest or bail to jail topics. Noted author Richard G. Singer provides everything students need for success: essential background and review materials plus the opportunity to test their skills in applying the material. Both students and instructors will appreciate the careful construction of this concise reference. Time-tested Examples & Explanations pedagogy helps students master material. Clear and engaging writing style makes complex topics accessible to students. Effectively compares approaches taken by various jurisdictions. Chapter on sentencing includes detailed discussion of Apprendi and Blakely. When you review Criminal Procedure II Examples & Explanations, remember that it is the only study guide to offer comprehensive coverage of all the traditional topics in the Criminal Procedure II course, completely up to date with cases from the 2004 Supreme Court term, including Guantanamo Bay and enemy combatant cases, written by the well-known author of the successful CRIMINAL LAW Examples & Explanations, now in its third edition. **Examples & Explanations for**

Criminal Procedure II Richard G. Singer, Kenneth Williams, 2022-06-14 A favorite classroom prep tool of successful students that is often recommended by professors, the Examples & Explanations E E series provides an alternative perspective to help you understand your casebook and in-class lectures. Each E E offers hypothetical questions complemented by detailed explanations that allow you to test your knowledge of the topics in your courses and compare your own analysis. Here's why you need an E E to help you study throughout the semester: Clear explanations of each class topic in a conversational, funny style. Features hypotheticals similar to those presented in class with corresponding analysis so you can use them during the semester to test your understanding and again at exam time to help you review. It offers coverage that works with ALL the major casebooks and suits any class on a given topic. The Examples & Explanations series has been ranked the most popular study aid among law students because it is equally as helpful from the first day of class through the final exam.
