

CITY of SECRETS

City Of Secrets A Novel

Eleni Coundouriotis

City Of Secrets A Novel:

City of Secrets Stewart O'Nan, 2017-04-25 Stewart O'Nan's *City of Secrets* will keep you up all night reading what a beautifully crafted novel. Alan Furst, New York Times bestselling author of *Mission to Paris*. From master storyteller Stewart O'Nan, author of *Henry Himself* and *Emily Alone*, a timely moral thriller of the Jewish underground resistance in Jerusalem after the Second World War. In 1945, with no homes to return to, Jewish refugees by the tens of thousands set out for Palestine. Those who made it were hunted as illegals by the British mandatory authorities there and relied on the underground to shelter them, taking fake names, they blended with the population, joining the wildly different factions fighting for the independence of Israel. From master storyteller Stewart O'Nan, author of *Emily Alone* and *Henry Himself*, *City of Secrets* follows one survivor, Brand, as he tries to regain himself after losing everyone he's ever loved. Now driving a taxi, provided like his new identity by the underground, he navigates the twisting streets of Jerusalem as well as the overlapping, sometimes deadly loyalties of the resistance. Alone, haunted by memories, he tries to become again the man he was before the war: honest, strong, capable of moral choice. He falls in love with Eva, a fellow survivor and member of his cell, reclaims his faith, and commits himself to the revolution, accepting secret missions that grow more and more dangerous even as he begins to suspect he's being used by their cell's dashing leader, Asher. By the time Brand understands the truth, it's too late, and the tragedy that ensues changes history. A noirish, deeply felt novel of intrigue and identity, written in O'Nan's trademark lucid style, *City of Secrets* asks how both despair and faith can lead us astray and what happens when, with the noblest intentions, we join movements beyond our control.

City of Secrets Victoria Thompson, 2019-09-24 The latest book in the exciting series featuring woman on the run, Elizabeth Miles, from the beloved national bestselling author of the *Gaslight Mysteries*. Elizabeth Miles knows that honesty is not always the best policy when it comes to finding justice. Elizabeth has discovered that navigating the rules of high society is the biggest con of all. So far, her only success is Priscilla Knight, a dedicated young suffragist recently widowed for the second time. Her beloved first husband died in a tragic accident and left her with two young daughters and a sizable fortune. While she was lost in grief, Priscilla's pastor convinced her she needed a man to look after her and engineered a whirlwind courtship and hasty marriage to fellow parishioner Endicott Knight. Now, about nine months later, Endicott is dead in what appears to be another terrible accident. Priscilla had believed Endicott was wealthy too, but her banker tells her she has no money left and her house has been mortgaged. He also hints at a terrible scandal and refuses to help. Priscilla stands to lose everything, and Elizabeth is determined not to let that happen. She soon discovers that Endicott's death was anything but accidental, and revealing the truth could threaten much more than Priscilla's finances. To save her new friend's future and possibly her own, Elizabeth, along with her honest-to-a-fault beau Gideon, delve into the sinister secrets someone would kill to keep.

City of Secrets Victoria E. Thompson, 2018 Con artist Elizabeth Miles has determined that Society is the biggest con of all. So far, Elizabeth's only real social success has been with twice-widowed

Priscilla Knight To save her new friend's future Elizabeth must use her special set of skills to find the truth about Priscilla's second husband *City of Secrets* Stewart O'Nan, 2017-07

Rhetorics of Fantasy Farah Mendlesohn, 2014-01-01 This sweeping study of fantasy literature offers new and often surprising readings of works both familiar and obscure A fine critical work *Journal of the Fantastic in the Arts* Transcending arguments over the definition of fantasy literature *Rhetorics of Fantasy* introduces a provocative new system of classification for the genre Drawing on nearly two hundred examples of modern fantasy author Farah Mendlesohn identifies four categories portal quest immersive intrusion and liminal that arise out of the relationship of the protagonist to the fantasy world Using these sets Mendlesohn argues that the author's stylistic decisions are then shaped by the inescapably political demands of the category in which they choose to write Each chapter covers at least twenty books in detail ranging from nineteenth century fantasy and horror to some of the best works in the contemporary field Mendlesohn discusses works by more than one hundred authors including Lloyd Alexander Peter Beagle Marion Zimmer Bradley John Crowley Stephen R Donaldson Stephen King C S Lewis Gregory Maguire Robin McKinley China Miéville Suniti Namjoshi Philip Pullman J K Rowling Sheri S Tepper J R R Tolkien Tad Williams and many others [The Complete Index to Literary Sources in Film](#) Alan Goble, 2011-09-08 No detailed description available for *The Complete Index to Literary Sources in Film*

Lesbian Detective Fiction Phyllis M. Betz, 2006-07-24 This work examines how lesbian detective and mystery fiction represents lesbian characters and experience within the confines of the genre As this book points out such fiction reveals the lesbian's increasing visibility in the wider society Nevertheless it can still be difficult to find a complete representation of lesbian life in mainstream literature Often the best place to find the lesbian represented in books is within the pages of genre fiction especially the detective story This book looks at how the lesbian characters public and private lives intersect often at the point of coming out or of moving from isolation to connection with the community Also considered is the lesbian detective's typical confrontation with two crucial elements of the investigator's role the use of violence and the acquisition and expression of authority within police systems Other topics of discussion include the cultural environments in which the stories are situated and the use of humor as a key weapon in the lesbian detective's investigative arsenal

The People's Right to the Novel Eleni Coundouriotis, 2014-09-15 This study offers a literary history of the war novel in Africa Coundouriotis argues that this genre aimed more specifically at African readers than the continent's better known bildungsroman tradition nevertheless makes an important intervention in global understandings of human rights The African war novel lies at the convergence of two sensibilities it encounters in European traditions the naturalist aesthetic and the discourse of humanitarianism whether in the form of sentimentalism or of human rights law Both these sensibilities are present in culturally hybrid forms in the African war novel reflecting its syncretism as a narrative practice engaged with the colonial and postcolonial history of the continent The war novel Coundouriotis argues stakes claims to collective rights that contrast with the individualism of the bildungsroman tradition The genre is a form of people's history that participates in a

political struggle for the rights of the dispossessed **Dickens and the City** F. S. Schwarzbach, 2014-01-13 Through a comprehensive study of Dickens career this work examines the crucial role played by London in the character of the man and the development of his writing It discusses the significance of Dickens early childhood experience in moving to London and the special place the city came to hold in his creative imagination throughout his life Then blending biography and literary analysis with urban and social history Dr Schwarzbach traces the fascinating and often dramatic relationship of the novels to the ever changing Victorian urban scene The novels emerge not only as valuable historical documents astonishing in their comprehensiveness and accuracy of detail but as a unique contribution to the growth of modern urban culture The Gay Detective Novel Judith A. Markowitz, 2015-02-16 Gertrude Stein called it the only really modern novel form that has come into existence yet the mystery genre was a century old before it featured its first gay main character in a novel Since then gay and lesbian detective fiction has been one of the fastest growing segments of the genre It incorporates gay and lesbian cultural elements and offers crossover appeal Its authors call upon a century of development in the mystery genre while providing new more accurate images of lesbians and gay men than generally found in mainstream literature and popular media This groundbreaking study of gay and lesbian detective fiction examines mystery series and historically significant stand alone novels published since the early 1960s Part I is an overview that describes how these novels make gay and lesbian life visible and forge new powerful images It also examines how they fit into the larger history of mystery fiction The series analyses in Part II are grouped according to the type of main character police officer private investigator amateur sleuth etc Each section discusses main and secondary characters of that type characteristic themes for the group and more The analyses of individual series cover main characters themes plot points and other elements Comments from authors interviewed for this book play a central role in those analyses Part III lists series spanning themes e g homophobia the closet gay marriage and the novels and series that address each of those themes

Decoding **City Of Secrets A Novel**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**City Of Secrets A Novel**," a mesmerizing literary creation penned by a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
