Silence Diarmaid MacCulloch, 2013. Diarmaid MacCulloch acknowledged master of the big picture in Christian history unravels a polyphony of silences from the history of Christianity and beyond. He considers the surprisingly mixed attitudes of Judaism to silence, Jewish and Christian borrowings from Greek explorations of the divine and the silences which were a feature of Jesus's brief ministry and witness. Besides prayer and mystical contemplation, there are shame and evasion, careless and purposeful forgetting. Many deliberate silences are revealed: the forgetting of histories which were not useful to later Church authorities such as the leadership roles of women among the first Christians or the constant problems which Christianity has faced in dealing honestly with sexuality. Behind all this is the silence of God, and in a deeply personal final chapter, MacCulloch brings a message of optimism for those who still seek God beyond the clamorous noise of overconfident certainties. **Monks, the Pope, and the Origins of the Crusades** Diarmaid MacCulloch, 2013-11-05. A fascinating history of the growth in monastic and papal power that preceded the Crusades, excerpted from Diarmaid MacCulloch's award-winning New York Times bestseller *Christianity: The First Three Thousand Years*. A product of electrifying scholarship conveyed with commanding skill, Diarmaid MacCulloch's *Christianity: The First Three Thousand Years* stretches from the Greek Platonists and the origins of the Hebrew Bible to the present and encompasses the globe. In this excerpt, MacCulloch chronicles the rise of monasteries like the great Cluny Abbey, which formed orders that reached across secular kingdoms, enjoying exclusive papal privileges and encouraging their followers to make pilgrimages among towering cathedrals and far-flung shrines. Meanwhile, the introduction of the tithe, expanding control over marriage and a new emphasis on Purgatory brought penitent parishioners even closer to the Church and dependent on ministry. By the time Pope Urban II launched the First Crusade, the practice of indulgences had made possible his grant that all who died in a state of repentance and confession while fighting would gain immediate entry into heaven. Holy War spawned whole new orders, most famously the Knights Templar and the Knights Hospitaller, as soldiers from across Europe joined the campaigns of conquest toward Jerusalem. The many causes and consequences of these clashes between Christianity and Islam are captured here in illuminating detail with elegance and wit. Diarmaid MacCulloch's latest book *Silence: A Christian History* is available from Viking. **Lower than the Angels** Diarmaid MacCulloch, 2025-04-15. A groundbreaking history of sexual emotion, sexual activity, gender relations, marriage and the family, and how Christianity has interacted with this panorama of human concerns. background or outlook The issue goes to the heart of present day religion This book seeks to calm fears and encourage understanding through telling a three thousand year long tale of Christians encountering sex gender and the family The message of Lower than the Angels is simple necessary and timely to pay attention to the complexity and contradictions in the history of Christianity The reader can decide from the story told here whether there is a single Christian theology of sex or many contending voices in a symphony that is not at all complete Oxford s Emeritus Professor of the History of the Church introduces an epic of ordinary and extraordinary Christians trying to make sense of themselves and of humanity s deepest desires fears and hopes

Historical Commentaries on the State of Christianity During the First Three Hundred and Twenty-five Years from the Christian Era Johann Lorenz Mosheim,1854 [Listening to the Bible](#) Christopher Bryan,2014 Christopher Bryan reflects on the often difficult relationship between academic study of the Bible and the Church and suggests a way forward in which scientific questions are not to be ignored but in asking them we are not to ignore the texts setting in life which is and has always been the believing community
