Christmas Prayers Holidays Colleen White:

Christmas Prayers Colleen White, 2015-11-29 *Christmas Prayers Poetry for the Holidays* is a collection of poems for the entire family. It's easy to read and can be enjoyed by a warm fireplace. **A Cup of Comfort For Christmas** Colleen Sell, 2007-08-01 The stories in this inspiring collection are joyous reminders of what the holidays are all about. Written by people just like you, these uplifting stories celebrate the true meaning of Christmas. You and your family will be thoroughly entertained by the celebrations, merriment, and revelations that fill these pages. You will immediately feel the holiday spirit as you share in the moving experiences featured in this volume, such as Five poor children pool their money from months of raking leaves, shoveling snow, and babysitting to buy their hardworking father an unexpected gift. War-weary U.S. soldiers in Cambodia share holiday memories and goodie boxes from home. In sixty years of marriage, a husband never gets his wife the perfect gift, but she'll never tell because he's the perfect husband. A mall Santa who knows American Sign Language brings joy to a deaf six-year-old. There's no time like the holidays for the heartwarming stories found in *A Cup of Comfort for Christmas*. *The Writer and the Overseas Childhood* Antje M. Rauwerda, 2014-01-10 What does Ian McEwan have in common with Barbara Kingsolver? Or *The Shack*'s William Paul Young with *The Way the Crow Flies* Ann Marie MacDonald? All four spent significant portions of their formative years overseas as expatriates; all four are third culture kids. These authors share experiences of cultural and geographical displacement that fracture constructions of home and identity as their fiction attests. This study surveys 17 authors with expat backgrounds to define third culture literature, a burgeoning yet unrecognized branch of international writing characterized by expressions of dislocation, loss, and disenfranchisement. By explicating how the shared cultural details of these writers emerge in literary themes and images, this work introduces third culture literature as a separate field, reinterpreting the work of major writers from across the globe. **Monthly Entries for the Spiritual but not Religious through the Year** Mark G. Boyer, 2022-08-30 This is a book about spirituality for the spiritual but not religious. Those who identify themselves as spiritual but not religious make up one quarter of the population in the United States. This book provides 189 monthly entries based on the national and international celebrations that occur every month. Each entry begins with the name of the occasion and the date when it is marked during the month. A text from the Bible, a US public law, a presidential proclamation, a United Nations declaration, etc., that illustrates the day is presented. The text is followed by a reflection which gleans the spirituality from the text and provides historical background on the day being celebrated. Journal meditation questions follow the reflection, and a prayer concludes the entry. This book is for the spiritual but not religious, a practice of spirituality that does not regard organized religion as a valuable means to further interior spiritual growth. A section of the introduction to the book explores who the spiritual but not religious are and presents the common themes that surface from research about them. **Treasured Christmas Brides** Amanda Cabot, Rebecca Germany, Cathy Marie Hake, Colleen L. Reece, MaryLu Tyndall, Michelle Ule, 2019-09-01 Six historical
