Humor and Satire on Contemporary Television Silas Kaine Ezell, 2016-05-26 This book examines contemporary American animated humor focusing on popular animated television shows in order to explore the ways in which they engage with American culture and history employing a peculiarly American way of using humor to discuss important cultural issues With

attention to the work of American humorists such as the Southwest humorists Mark Twain Dorothy Parker and Kurt Vonnegut and the question of the extent to which modern animated satire shares the qualities of earlier humor particularly the use of setting the carnivalesque collective memory racial humor and irony Humor and Satire on Contemporary Television concentrates on a particular strand of American humor the use of satire to expose the gap between the American ideal and the American experience Taking up the notion of The Great American Joke the author examines the discursive humor of programmes such as The Simpsons South Park Family Guy King of the Hill Daria American Dad The Boondocks The PJs and Futurama A study of how animated television programmes offer a new discourse on a very traditional strain of American humor this book will appeal to scholars and students of popular culture television and media studies American literature and visual studies and contemporary humor and satire

Popular Culture, Political Economy and the Death of Feminism Penny Griffin, 2015-06-05 While some have argued that we live in a postfeminist era that renders feminism irrelevant to people's contemporary lives this book takes feminism the source of eternal debate contestation and ambivalence and situates the term within the popular cultural practices of everyday life It explores the intimate connections between the politics of feminism and the representational practices of contemporary popular culture examining how feminism is made sensible through visual imagery and popular culture representations It investigates how popular culture is produced represented and consumed to reproduce the conditions in which feminism is valued or dismissed and asks whether antifeminism exists in commodity form and is commercially viable Written in an accessible style and analysing a broad range of popular culture artefacts including commercial advertising printed and digital news related journalism and commentary music film television programming websites and social media this book will be of use to students researchers and practitioners of International Relations International Political Economy and gender cultural and media studies

Globalization, Consumption And Popular Culture In East Asia Tai Wei Lim, Wen Xin Lim, Xiaojuan Ping, Katherine Hui-yi Tseng, 2016-09-02 This book aims to provide comprehensive empirical and theoretical studies of expanding fandom communities in East Asia through the commodification of Japanese Korean and Chinese popular cultures in the digital era Using a multidisciplinary approach including political economy East Asian studies political science international relations concepts and history this book focuses on a few research objectives In terms of methodology it is an area studies approach based on interpretative work observation studies policy and textual analysis First it aims to examine the closely intertwined relationship between the three major stakeholders in the iron triangle of production companies consumers and states i.e. role of government in policy promotion Second it studies the interpenetration adaptation innovation and hybridization of exogenous Western culture with traditional popular cultures in North East Asia Third it studies the influence of popular cultures and how cultural products resonate with a regional audience through collective consumption contents reflective of normative values the emotive and cognitive appeal of familiar images and social learning as well as peer effect found in fan communities It then examines how consumption contributes to

soft cultural influence and how governments leverage on its comparative advantages and cultural assets for commercial success and in the process augment national cultural influence These questions will be discussed and analyzed and contextualized through the case studies of J pop Japanese popular culture K pop Korean popular culture or Hallyu and Chinese popular culture including Mando pop and Taiwanese popular culture Promoting Sustainable Living Justyna Karakiewicz,Audrey Yue,Angela Paladino,2015-05-01 Current images of sustainability are often designed to instil fear and force change not because we believe in it but because we fear the consequences of inaction Moving away from negative portrayals of sustainability this book identifies the factors that motivate people to aspire towards sustainable living It introduces the notion of sustainability as an object of desire that will allow people not to be scared of the future but rather to dream about it and look forward to a better quality of life Tracing the history of major changes in our society that have dramatically altered our perceptions beliefs and attitudes about sustainability the book analyses the role of communications in persuading people of the benefits of sustainable living It describes our current desires and dreams and explains why we need to change Finally the book suggests what could be done to not only make sustainability an object of desire but also introduce hopes and dreams for a better future into our everyday lives This inspiring and interdisciplinary book provides innovative insights for researchers students and professionals in a range of disciplines in particular environment and sustainability sustainable marketing and advertising and psychology Popular Music, Cultural Politics and Music Education in China Wai-Chung Ho,2016-12-08 While attention has been paid to various aspects of music education in China to date no single publication has systematically addressed the complex interplay of sociopolitical transformations underlying the development of popular music and music education in the multilevel culture of China Before the implementation of the new curriculum reforms in China at the beginning of the twenty first century there was neither Chinese nor Western popular music in textbook materials Popular culture had long been prohibited in school music education by China s strong revolutionary orientation which feared spiritual pollution by Western cultures However since the early twenty first century education reform has attempted to help students deal with experiences in their daily lives and has officially included learning the canon of popular music in the music curriculum In relation to this topic this book analyses how social transformation and cultural politics have affected community relations and the transmission of popular music through school music education Ho presents music and music education as sociopolitical constructions of nationalism and globalization Moreover how popular music is received in national and global contexts and how it affects the construction of social and musical meanings in school music education as well as the reformation of music education in mainland China is discussed Based on the perspectives of school music teachers and students the findings of the empirical studies in this book address the power and potential use of popular music in school music education as a producer and reproducer of cultural politics in the music curriculum in the mainland **Belligerent Broadcasting** Michael Higgins,Angela Smith,2016-09-13 Why is rudeness such a prominent

feature of contemporary broadcasting If broadcasting is about the enactment of sociability then how can we account for the fact that broadcasting has become a sphere of anger humiliation anger dispute and upset And to what extent does belligerence in broadcasting reflect broader social and cultural developments This book reflects upon and analyses the development of belligerent broadcasting beginning with an examination of belligerence in its historical context and as an aspect of wider cultural concerns surrounding the retreat of civility With attention to the various relations of power expressed in the various forms of belligerent conduct across a range of media genres the authors explore its manifestation in political interviews in the form of confrontation in talk shows in makeover television as an authentic means of proffering opinion and as a form of sociability or banter Richly illustrated with studies and examples of well known shows from both sides of the Atlantic including The Apprentice The Fixer American Idol Gordon Ramsay s Kitchen Nightmares DIY SOS The Jeremy Kyle Show and Dragon s Den this book reflects on the consequences and potentialities of belligerence in the media and public sphere It will appeal to scholars and students of cultural and media studies communication and popular culture

Consumption in Asia Beng-Huat Chua, 2002-05-03 The essays in this collection challenge conventional ideas about consumption and consumerism they consider if the inundation of Western consumer goods have created identity confusions among the affluent in Asia and if the expansion of consumer culture really does threaten the stability of politically anti liberal states in Asia This is the first book to analyse in detail consumerism in the region and will be valuable reading for students and researchers in Asian studies economics politics and cultural studies

The Cultural Politics of U.S. Immigration Leah Perry, 2016-09-27 How the immigration policies and popular culture of the 1980 s fused to shape modern views on democracy In the 1980s amid increasing immigration from Latin America the Caribbean and Asia the circle of who was considered American seemed to broaden reflecting the democratic gains made by racial minorities and women Although this expanded circle was increasingly visible in the daily lives of Americans through TV shows films and popular news media these gains were circumscribed by the discourse that certain immigrants for instance single and working mothers were feared censured or welcomed exclusively as laborers In The Cultural Politics of U S Immigration Leah Perry argues that 1980s immigration discourse in law and popular media was a crucial ingredient in the cohesion of the neoliberal idea of democracy Blending critical legal analysis with a feminist media studies methodology over a range of sources including legal documents congressional debates and popular media such as Golden Girls Who s the Boss Scarface and Mi Vida Loca Perry shows how even while multicultural immigrants were embraced they were at the same time disciplined through gendered discourses of respectability Examining the relationship between law and culture this book weaves questions of legal status and gender into existing discussions about race and ethnicity to revise our understanding of both neoliberalism and immigration

Getting the books **Consumerism Tv Popular Cultural Politics** now is not type of inspiring means.
