Consequential Strangers:

Consequential Strangers: Turning Everyday Encounters Into Life-Changing Moments Melinda Blau, Karen L. Fingerman, 2010-07-26 Self Help Consequential Strangers: The Power of People Who Don't Seem to Matter. . . But Really Do Melinda Blau, Karen L. Fingerman, 2009-08-24 Challenges us to rethink our circle of relationships A mind expanding and heart opening book Daniel Goleman author of Social Intelligence Our barista our mechanic our coworker they populate our days but we often take them for granted Yet these are the people who bring novelty and information into our lives allow us to exercise different parts of ourselves and open us up to new opportunities In their unprecedented examination of people on the periphery psychologist Karen Fingerman who coined the term consequential strangers collaborates with journalist Melinda Blau to expand on and make her own groundbreaking research come alive Drawing as well from Blau's more than two hundred interviews with specialists in psychology sociology marketing and communication the book presents compelling stories of individuals and institutions past and present A rich portrait of our social landscape on and off the Internet it presents the science of casual connection and chronicles the surprising impact that consequential strangers have on business creativity the work environment our physical and mental health and the strength of our communities *Your Turn* Julie Lythcott-Haims, 2021-04-06 New York Times bestselling author Julie Lythcott Haims is back with a groundbreakingly frank guide to being a grown up What does it mean to be an adult In the twentieth century psychologists came up with five markers of adulthood finish your education get a job leave home marry and have children Since then every generation has been held to those same markers Yet so much has changed about the world and living in it since that sequence was formulated All of those markers are choices and they're all valid but any one person's choices along those lines do not make them more or less an adult A former Stanford dean of freshmen and undergraduate advising and author of the perennial bestseller *How to Raise an Adult* and of the lauded memoir *Real American* Julie Lythcott Haims has encountered hundreds of twentysomethings and thirtysomethings too who faced with those markers feel they're just playing the part of adult while struggling with anxiety stress and general unease In *Your Turn* Julie offers compassion personal experience and practical strategies for living a more authentic adulthood as well as inspiration through interviews with dozens of voices from the rich diversity of the human population who have successfully launched their adult lives Being an adult it turns out is not about any particular checklist it is instead a process one you can get progressively better at over time becoming more comfortable with uncertainty and gaining the knowhow to keep going Once you begin to practice it being an adult becomes the most complicated yet also the most abundantly rewarding and natural thing And Julie Lythcott Haims is here to help readers take their turn Living Room Revolution Cecile Andrews, 2013-04-01 The author of *The Circle of Simplicity* joyfully invites us to discover a robust and real personal expansion with each other as we remake our society Mark Lakeman cofounder The City Repair Project Every man for himself For too long we have lived in a competitive consumer oriented culture destroying the

well being of people and the planet We believe that money brings happiness yet all too often the opposite is true The pursuit of wealth at any cost corrupts our values and diminishes our lives The resulting inequality breaks down social cohesion and generates envy bitterness and resentment Greed breeds more greed Living Room Revolution refutes the notion that selfishness is at the root of human nature Research shows that people given the right circumstances can be caring nurturing and collaborative Presented with the opportunity they gravitate toward actions and policies embodying empathy fairness and trust instead of competition fear and greed The regeneration of social ties and the sense of caring and purpose that comes from creating community drive this essential transformation At the heart of this movement is the ancient art of conversation Living Room Revolution provides a practical toolkit of concrete strategies to facilitate personal and social change by bringing people together in community and conversation The heart of happiness is joining with others in good talk and laughter Each person can make a difference and it can all start in your own living room Small groups Study circles Stop n chats House parties Movie nights Online sharing Bring people together and you never know what kind of fuse you ll ignite for change Wanda Urbanska author of The Heart of Simple Living Growing Together Frieder R. Lang, Karen L. Fingerma, 2004 This edited volume integrates research on people s relationships from childhood to later adulthood **Dare, Dream, Do** Whitney L. Johnson, 2016-10-21 Thinkers50 Management Thinker of 2015 Whitney Johnson has a goal to help us identify and achieve our dreams Her belief is that we can each achieve greater happiness when focusing both on our dreams and on other people in our lives In this inspiring book Johnson directs her attention to teaching women in particular a three step model for personal advancement and happiness She first encourages us to Dare to boldly step out to consider disrupting life as we know it Then she teaches us how to Dream to give life to the many possibilities available whether to start a business run a marathon or travel the world She shows us how to date our dreams no need to commit and how to make space for dreams Finally Whitney s model brings out the businesswoman in her she teaches us to Do to execute our dreams She showcases the importance of sharing dreams with others to give them life creating your own dream team Rich with real stories of women who have dared to dream Dare Dream Do offers a practical framework for making remarkable things happen The Encyclopedia of Adulthood and Aging, 3 Volume Set Susan K. Whitbourne, 2016-01-19 This authoritative reference work contains more than 300 entries covering all aspects of the multi disciplinary field of adult development and aging Brings together concise accurate summaries of classic topics as well as the most recent thinking and research in new areas Covers a broad range of issues from biological and physiological changes in the body to changes in cognition personality and social roles to applied areas such as psychotherapy long term care and end of life issues Includes contributions from major researchers in the academic and clinical realms 3 Volumes www.encyclopediaadulthoodandaging.com **Befriend** Jana Strukova, 2023-12-06 Befriend narrates a personal experience of the author with the formation of a faith based nonprofit in health services It combines real life examples with theories from several disciplines to describe the nature and role of

nonprofit in a community The book argues that faith based nonprofits create spaces of hospitality and inclusion for diverse humanity They are poised to teach practices of friendship based on the friendship of Trinity and personal awareness of how mental health can either contribute to friendships in communities or inhibit it *The Necessity of Strangers* Alan Gregerman, 2013-09-10 A counterintuitive approach to fostering greater innovation collaboration and engagement Most of us assume our success relies on a network of friends and close contacts But innovative thinking requires a steady stream of fresh ideas and new possibilities which strangers are more likely to introduce Our survival instincts naturally cause us to look upon strangers with suspicion and distrust but in *The Necessity of Strangers* Alan Gregerman offers the provocative idea that engaging with strangers is an opportunity not a threat and that engaging with the right strangers is essential to unlocking our real potential *The Necessity of Strangers* reveals how strangers challenge us to think differently about ourselves and the problems we face Shows how strangers can help us innovate better get the most out of each other and achieve genuine collaboration Presents principles for developing a stranger centric mindset to develop new markets and stronger customer relationships leverage the full potential of partnerships and become more effective leaders Includes practical guidance and a toolkit for being more open creating new ideas that matter finding the right strangers in all walks of life and tapping the real brilliance in yourself To stay competitive you and your business need access to more new ideas insights and perspectives than ever before *The Necessity of Strangers* offers an essential guide to discovering the most exciting opportunities you haven't met yet **Renewal Coaching Fieldbook** Elle Allison, Douglas B. Reeves, 2011-11-02 *The Renewal Coaching Fieldbook* outlines the seven practices that leaders can learn and develop in order to sustain their energy to do meaningful work These practices enable leaders to bounce forward in the face of loss create networks of support make wise and timely decisions and engage in personal renewal daily Throughout are compelling stories of leaders who have overcome the challenges that seek to diminish and overwhelm them and succeeded in doing meaningful work for a greater good Praise for *Renewal Coaching Fieldbook* Elle and Douglas have written an important book that could change the way business is done by changing the lives of people doing it In our fantastically connected planet worldwide commerce impacts all of us immediately making almost nothing more important for our long term success than committing to meaningful work lives aimed at the greater good As Elle and Douglas suggest individual happiness and global happiness will be the outcomes If this is what you want in your own life and I hope you do read this book Rick Foster co author *How We Choose to Be Happy and Happiness* publisher SustainableHappinessCourse.com The questions in this book will help you generate new ideas and ways of thinking about your predicaments They will provide you with the way forward to hope excitement and satisfaction in service of a greater good Daniel J Pesut PhD RN professor of nursing Certified Hudson Institute Coach Indiana University Indianapolis This is not a fairytale approach to leadership where all is good and everyone is happy It is a skillfully written manual that addresses the challenges and hard times leaders experience and makes resiliency visible and sustained happiness attainable
