CIRCLE OF GRACE LESSON PLAN - Grade 2

Opening Prayer: (echo prayer)

Holy Spirit (echo)

Show us the way (echo)

Be with us in all we think do and say (echo) Amen.....

GETTING STARTED

- Show symbols one at a time to the children. Ask what each represents. Make the point that the symbols are a way of telling us something or reminding us of something.
- Write the term "symbol" on the board. State the definition of a

DISCUSSION

1. Show the children the Circle of Grace Symbol. The Circle of Grace symbol reminds us that God loves us and His love is always all around us. Each of us—everyone has a circle of grace.
2. Review what each part represents.
 - a. In the picture, the large blue circle is the world we live in; the world all around us.
 - i. Who made you?—God and who made the world?—God and God thinks you are so special and so loved that God would have made all this wonderful world if you were only one living in it. God gave us many gifts—and one of these gifts are our feelings.
 - b. The bird in the picture is a dove which is a symbol of the Holy Spirit of God—you know when we say in the Sign of the Cross—In the name of the Father, the Son and the Holy Spirit—this dove means the Holy Spirit and can you read the words which are close to it? Circle of Grace and they are on top of the yellow circle—that circle surrounds the figure and that figure is YOU the child of God
 - c. The yellow means the warmth of God's love which is all around you—we can also call that love—Grace—and the child is within it. God is that close to you always—in your circle.

ACTIVITY

This is one way to talk about the **Circle of Grace**—another is to act it out—so watch me for a minute:

- When I talk about this **Circle of Grace**—maybe it would be easier if I found a way to draw it for you—but I am not going to use the blackboard or pen and paper—I am going to draw it around me and then ask you to do the same.

sounds Life tends to take on a pace of its own which when left unchecked will drive us toward burnout and fatigue We can easily become driven by care worry and ambition rather than led by the Holy Spirit We may tend to think of burnout as a modern problem but we can see that people in Jesus day felt their own kind of spiritual and emotional fatigue Why else would Jesus have said these comforting words Are you tired Worn out Burned out on religion Come to me Get away with me and you ll recover your life I ll show you how to take a real rest Walk with me and work with me watch how I do it Learn the unforced rhythms of grace I won t lay anything heavy or ill fitting on you Keep company with me and you ll learn to live freely and lightly Matt 11 28 30 The Message Even though he spoke these words more than two millennia ago Jesus call to rest and peace seem tailor made to fit this generation Author Kerri Weems had let the pace and rhythm of her life get out of control At first the consequences were only physical but they quickly impacted her spiritual life Since then God has been teaching her to walk in time with him he is teaching her to be led rather than driven In this book she opens up her life and shares this journey with the reader God s best for each of us is that we go the full distance of our race and not just crawl exhausted across the finish line God wants us to enjoy the race and cross the line with our heads held high a smile on our faces and our arms lifted in a double fist punch Getting to that moment is all about learning the rhythms of grace and pacing ourselves for the long run

Called to Teach William Yount, 1999-01-01 Written as a textbook for courses on teaching at the college and seminary level Called to Teach actually reaches out to a much wider audience Those considering a teaching career homeschoolers and parents will gain valuable insight and knowledge from Yount s latest book *Foundations of our Faith* B. Lightsey, 2019-08-14 I am part of a vast ocean of Christians that view the Word of God through a different set of eyes than those of many pastors professors and church staff members I have interest in the deep theology of scripture and recognize my need to be exposed to and covered by the Word of God similar to that of my called brothers in Christ Yet I want it delivered to me in a simple worker s language Recent translations have strived toward this end and have made headway Yet the finished product is still from scholars that often describe the original transcripts from a theological standpoint rather than a worker s standpoint The Eastern Standard Version ESV published in 2001 was written to carefully weigh accuracy against the original Hebrew Aramaic and Greek scrolls It stands as one of the better accepted of sound English Bible Translations Because of its wide acceptance I have used this translation for my resource I have certainly considered a host of opinions and writings of a host of scholars but my source of authenticity has always been God s Word In writing this book I strongly encourage our religious leaders to go back to the reading writing and arithmetic basics of God s Word Just as I believe we need to get back to the basics in educating our children in school in reading writing and arithmetic we also need to get back to the reading writing and arithmetic basics in educating God s people in church Perhaps such consideration is out of touch with the advanced theology of today As a layman not an ordained or seminary graduate I might be considered a doctrine dummy This book entitled Doctrine for Dummies is written for this vast ocean of people We are not dummy people

but we are somewhat hindered in our study by deep theological doctrine This book tries to take us back to reading writing and arithmetic doctrine *Walking Through the Beast* Brenda J. Gray, 2010-02
