Rosenthal,Juan M. Ocampo,1991-01-16 The first guide to this new financial trend Credit securitization also known as asset
securitization is a financial technology for packaging underwriting and selling loans in the form of securities First used in
packaging mortgage loans as in the case of GNMA and other federally insured mortgage backed securities credit
securitization has grown rapidly and spread to other forms of credit including auto loans student loans credit card balances
and so on This book provides lenders and other financial professionals with clear analyses of many actual credit
securitization deals Includes much information unavailable elsewhere **Labor Law Reports** Commerce Clearing
