Constitutional Sound Bites David Shestokas:

Constitutional Sound Bites David J. Shestokas, 2015-12-07 Constitutional Sound Bites makes America's Founding Documents and First Principles accessible and relevant to all by sharing brief explanations of key provisions and moments in the documents' creation. In an era when the emphasis on our Nation's founding is in decline in our children's classrooms and where attention spans are measurably decreasing with each passing year Constitutional Sound Bites addresses both realities with meaningful and manageable content. If John Jay, Alexander Hamilton and James Madison were trying to reach modern America they would need to change their methods and accommodate the way we communicate today. We've become used to getting information in the small doses of media sound bites, short blog posts and 140 character Twitter feeds. We are inundated with information in these ways and with the best of luck when something of value shoots across our personal radar we reach out, grab it and investigate more. The entries in this book are sound bites about the United States Constitution. It is the English companion to the Spanish language *Capsulas Informativas Constitucionales*. [Time for a Turning Point](#) Charlie Kirk, 2016-10-04 Turning Point USA founder Charlie Kirk shares a vision for America's future embracing first principles, free markets and small government. Kirk provides a roadmap on how to return to a free America with an emphasis on reaching our youth and engaging them in the process. During the 2016 Presidential election cycle it has become clear that there is growing frustration on the part of many Americans with the general direction of the nation. There has been an abandonment of the principles of free markets and limited government upon which America was founded. We didn't get to this point over just the last eight years and it's going to take more than one or two election cycles to reverse it. In *Time for a Turning Point* Charlie Kirk shows exactly what needs to be done and how it needs to be done to restore America's freedom. This is a book of hope, not despair; a book of action, not condolences. **Creating the Declaration of Independence** David J.

Shestokas, 2017-06-14 With *Creating the Declaration of Independence* DAVID SHESTOKAS takes you into the minds of Richard Henry Lee, John Adams and Thomas Jefferson in the weeks before July 4, 1776. Experience Lee's trepidation as he knows when he proposes American Independence to the Second Continental Congress that he is literally risking beheading John Adams and Jefferson at City Tavern as they begin crafting the Declaration and follow the story of how Jefferson came to reluctantly draft the Declaration when few others, including Adams, thought that Jefferson's assignment was important. You'll even learn a shortcut Jefferson used to craft a document of such immortality on such short notice and how that short cut affects the work of the Supreme Court today. **Capsulas Informativas Constitucionales** David J. Shestokas, 2015 *Capsulas Informativas Constitucionales* es una publicaci3n nueva y pionera para la comunidad hispanohablante estadounidense. David Shestokas, abogado en colaboraci3n con la Dra. Berta Arias, profesora emrita en lenguas, por primera vez contextualiza para los lectores en espa3ol ambos el significado y los antecedentes hist3ricos de la Declaraci3n de Independencia, la Constituci3n y la Carta de Derechos.
