The Crucible

Video Guide

Mr. Parris begins the story by stating that everything went on before the crucible began. As you view the movie, write down what people say happened. Finally, at the end, write what you believe happened, and why.

Is the Mr. Parris simply a worried parent, or does he have other concerns? Support your opinion with examples.

Abigail's reputation has become questionable. What hints are there that she hasn't been exactly upstanding?

Describe the character of John Proctor.

What is Hester hoping to get from the questions to the other characters? What does she want, how does their desire to be honest conflict with their other desires?

Abraham Smith,2017-01-12 This Guide reads the Gospel of Mark as a 1st century CE story about Jesus for his followers and against tyranny or the abusive use of power First the book shows students how the Gospel uses the form of a traditional laudatory biography a Life to reshape the memory of the shame-ridden trials and suffering of Jesus Such a biography portrayed Jesus' descent as a son of God his deeds and his heroic death dispelling any notion that the teacher Jesus was a charlatan or huckster Second Smith demonstrates how the Gospel devotes a great deal of space to Jesus' training of his disciples as he calls commissions and corrects them in preparation for the difficult moments of their journey Third Smith highlights the Gospel's special characterizations of Jesus as a prophetic envoy a man of authority and a philosophical hero contrasting Jesus' use of power with the abusive use of power by Rome's representatives Herod Antipas and Pilate

Teacher Identity Discourses Janet Alsup,2006-08-15 In this book Janet Alsup reports and theorizes a multi-layered study of teacher identity development The study which followed six pre-service English education students was designed to investigate her hypothesis that forming or failing to form a professional identity is central in the process of becoming an effective teacher This work addresses the intersection of various types of discourse within the process of professional identity

development emphasizes that the intersection of the personal and professional in teacher identity formation is more complex than is acknowledged in typical methods classes and accents the need for teacher educators to take steps to facilitate such integration. Specific suggestions for methods courses are presented that teacher educators can use as is or adapt to their own contexts. *Teacher Identity Discourses: Negotiating Personal and Professional Spaces* speaks eloquently to faculty researchers and graduate students across the field of teacher education.
