The Experience Mindset Tiffani Bova, 2023-06-06 A Wall Street Journal Bestseller From the bestselling author of Growth IQ comes a guide to enhancing customer and employee experience simultaneously for unprecedented revenue growth In the war for customer acquisition businesses invest millions of dollars to improve customer experience They deliver packages faster churn out new products and endlessly revamp their UI often putting greater strain on employees for diminishing returns According to Tiffani Bova this siloed focus on customer experience without considering the impact on your staff actually hinders growth in the long run The most successful companies adopt an Experience Mindset that strengthens both employee experience EX and customer experience CX at the same time Based on exclusive research from two Salesforce sponsored studies of thousands of employees and c suite executives The Experience Mindset details exactly how your company can adopt an Experience Mindset at scale It s not enough to know that happy employees equals happy customers You must have an intentional balanced approach to company strategy that involves all stakeholders IT Marketing Sales Operations and HR with KPIs and ownership over outcomes In this ground breaking book filled with case studies of leading companies and never before seen research you ll learn How people processes technology and culture contribute to the virtuous cycle of EX and CX Why the best companies have programs that minimize the customer s effort as well as the employee s effort and how companies like Southwest and Best Buy get this right How to effectively roll out technology solutions that boost both EX and CX hard truth only 20% of customer facing employees believe technology makes their job easier Employees want a seamless technology experience just like your customers What metrics you can use to measure EX CX and ultimately the effect of the two together

You can't improve what you can't measure Employees are the heart of your business If you want to remain competitive in today's marketplace investing in people is no longer a nice to have but rather a must have *Food Safety* Darin Detwiler, 2020-04-30 *Food Safety Past Present and Predictions* offers a multidisciplinary approach on major food industry regulatory compliance changes that have emerged since the landmark 1993 E coli outbreak The book is broad in coverage providing a look back at 25 years of change in order to better conceptualize the future of effective and sustainable food safety compliance efforts and technologies Historical case studies and technological developments are written by experts and those who played key roles in events Topics are explained in a way that not only helps improve industry and consumer awareness but also offers tools to improve education and communication

Is It Racist? Is It Sexist? Jessi Streib, Betsy Leondar-Wright, 2025-01-14 How can the judgment calls we make in everyday life create or help eradicate social inequality Is It Racist Is It Sexist Two questions that seem simple on their face but which invite a host of tangled responses In this book Jessi Streib and Betsy Leondar Wright offer a new way of understanding how inequalities persist by focusing on the individual judgment calls that lead us to decide what's racist what's sexist and what's not Racism and sexism often seem like optical illusions with some people sure they see them and others sure they're not there but the lines that most consistently divide our decisions might surprise you Indeed white people's views of what's racist and sexist are increasingly up for grabs As the largest racial group in the country and the group that occupies the most and the highest positions of power what they decide is racist and sexist helps determine the contours of inequality By asking white people Southerners and Northerners Republicans and Democrats working class and professional middle class men and women to decide whether specific interactions and institutions are racist sexist or not Streib and Leondar Wright take us on a journey through the decision making processes of white people in America By presenting them with a variety of scenarios the authors are able to distinguish the responses as being characteristic of different patterns of reasoning They produce a framework for understanding these patterns that invites us all to engage with each other in a new way even on topics that might divide us Is It Racist Is It Sexist will leave you questioning how you decide whether a joke a hiring decision or a policy change is or isn't racist or sexist and will give you new tools for making more accurate and productive judgment calls

Food Truths from Farm to Table Michele Payn, 2017-03-20 Don't believe everything you're told about food most of it is highly misleading or completely untrue Written by a farm and food advocate this book identifies marketing half truths and guides you through the aisles of the grocery store to simplify smart food shopping and restore your freedom to enjoy food What is the only food on your dinner table that does not contain hormones How can animals raised for food also be treated with respect Is it true that a typical serving of broccoli has more estrogen than a serving of steak Why is more than 40 percent of food wasted in the United States Food Truths from Farm to Table 25 Surprising Ways to Shop Eat without Guilt answers all of these questions and many more bringing an unheard voice into the highly emotional food debate Authored by Michele Payn a leading farm

and food advocate with an in depth understanding of both sides of the plate this intriguing book helps readers understand how food is really produced answers food critics and points out how food marketing and labels are often half truths or even less than half truths These 25 food truths enable an understanding of how food is grown providing a transparent window into today s farming and ranching practices that empowers you to make informed personal choices and determine what is right for your family Each chapter presents a farm or ranch story answers questions around a major issue provides science based information and includes a sidebar section of food truths and myths Readers will gain insights from a food expert who offers a viewpoint that stands in stark contrast to the typical sensationalist and often negative perspective on fashionable food accurate information that will help you to better trust the intentions and processes in farming and ranching The revelations in this book will simplify food shopping reduce guilt about being a consumer and give you the freedom to enjoy your food again *Restaurant Business* ,2005
