How she and her husband leave the West Coast to manage Polyface at Buxton Farm, a 1,000-acre satellite farm to Joel Salatin's family farm in rural Virginia, is a fascinating, multifaceted adventure. In this lively and honest memoir, Grace describes her at times harrowing but always life-affirming journey that reflects her courageous intention to never give up. Adventures in Opting Out Cait Flanders, 2020-01-11 We all follow our own path in life At least that's what we're told In reality many of us either do what is expected of us or follow the invisible but well worn paths that lead to what is culturally acceptable For some those paths are fine great even But they leave some of us feeling disconnected from ourselves and what we really want When that discomfort finally outweighs the fear of trying something new we're ready to opt out After going through this process many times Cait Flanders found there is an incredible parallel between taking a different path in life and the psychological work it takes to summit a mountain especially when you decide to go solo Offering guidance and advice drawn from Cait's own journey and stories of others *Adventures in Opting Out* will give you all the encouragement and insight you'll need to take the path less traveled and create the life you want Just step up to the trailhead and expect it to be an adventure
