

The background of the cover is a painting. It depicts a stone path made of irregular, light-colored stones leading from the bottom foreground towards a green field in the middle ground. The field is a vibrant green, and in the far distance, there are some faint, hazy structures or hills under a deep blue sky with some white clouds. The overall style is painterly and evocative.

Chosen To Follow Jewish Believers Through History And Today:

Learning Messiah Edjan Westerman, 2018-09-27 Israel's election calling and history make up a big part of Scripture. It could be said that they belong to the DNA of the Bible. But why is it then that the Christian narrative about the Messiah, Israel, and the nations often seemed to have and sometimes even still has a different genetic structure? Does Israel, together with its election and promises, leave God's stage through a side door when Jesus appears on stage? Does a changing of roles take place within a different story? Does the Messiah function within it as some kind of black hole in which the eternal election and calling of Israel disappear? How do we read God's way? The Holocaust made us realize that our de-Jewized reading and preaching of Scripture contributed in various ways to this catastrophe. And we find ourselves confronted by the question: How does the narrative of the Bible then look when the whole of Scripture plays a decisive role and the faithfulness of God toward Israel stays in the center? This book presents an answer to these questions, calling us to learn to read God's way anew and to walk in it.

The Vermes Quest Hilde Brekke Moller, 2017-07-13 Geza Vermes is a household name within the study of the historical Jesus, and his work is associated with a significant change within mainstream Jesus research, typically labelled the third quest. Since the publication of *Jesus the Jew* in 1973, many notable Jesus scholars have interacted with Vermes's ideas and suggestions, yet their assessments have so far remained brief and ambiguous. Hilde Brekke Moller explores the true impact of Vermes's Jesus research on the perceived change within Jesus research in the 1980s and also within third quest Jesus research by examining Vermes's work and the reception of his work by numerous Jesus scholars. Moller looks in particular depth at the Jewishness of Jesus, the Son of Man problem, and Vermes's suggestion that Jesus was a Hasid, all being aspects of Vermes's work which have attracted the most scholarly attention. Moller's research historical approach focuses not only on the leading scholars of the field, such as E. P. Sanders, J. D. Crossan, J. P. Meier, and C. A. Evans, but also sheds light on underplayed aspects of previous research and responds to the state of affairs for recent research by challenging the rhetoric of current historical Jesus scholarship.

At the Foot of the Mountain Joshua M. Lessard, Jennifer M. Rosner, 2021-06-09 Where does a relatively young movement turn for identity and direction when it straddles the fence between two competing major religions? Messianic Jews have done something that for centuries was considered untenable. Like Christians, they have embraced Jesus as the divine Messiah, but they have refused to surrender their place within the Jewish people. How compatible are these two sides of Messianic Jewish faith? Can Messianic Jews participate as full members in both the body of Messiah and the people of Israel? Can they be led by the Holy Spirit that Jesus promised while also following the rulings of the Jewish sages? Did Jesus affirm rabbinic authority, or does that authority now lie elsewhere within the new covenant? In this volume, Messianic Jewish rabbi Joshua Lessard and Messianic Jewish scholar Jennifer Rosner debate the path forward for Messianic Judaism as it grapples with being the child of divorced parents: the church and Israel. Both Lessard and Rosner are committed to the success of Messianic Judaism, though they put forth contrasting visions of what that means. The discussion

herein is unique and provocative not only for Messianic Jews but for all who have wrestled at the crossroads of Torah tradition and Spirit

Understanding the Jewish Roots of Christianity Gerald McDermott, 2021-03-17 How Jewish is Christianity The question of how Jesus followers relate to Judaism has been a matter of debate since Jesus first sparred with the Pharisees The controversy has not abated taking many forms over the centuries In the decades following the Holocaust scholars and theologians reconsidered the Jewish origins and character of Christianity finding points of continuity Understanding the Jewish Roots of Christianity advances this discussion by freshly reassessing the issues Did Jesus intend to form a new religion Did Paul abrogate the Jewish law Does the New Testament condemn Judaism How and when did Christianity split from Judaism How should Jewish believers in Jesus relate to a largely gentile church What meaning do the Jewish origins of Christianity have for theology and practice today In this volume a variety of leading scholars and theologians explore the relationship of Judaism and Christianity through biblical historical theological and ecclesiological angles This cutting edge scholarship will enrich readers understanding of this centuries old debate

The Future Restoration of Israel Stanley E. Porter, Alan E. Kurschner, 2023-06-02 This volume is the most extensive of its kind as a major set of collected essays from a wide range of scholars on the question of the promises of God to Israel These essays put forward the position that unconditional promises were given to Israel which have not been fulfilled in the church or any other entity At the consummation there will be a continuing role for the Jews realized through their national and territorial hope of a restored redeemed Israel This volume contains an eclectic group of contributors who have reached this position from various approaches to interpretation The essays exhibit both positive argumentation and engagement with supersessionist literature

Stones the Builders Rejected Mark S. Kinzer, 2024-06-04 Since the groundbreaking publication of *Postmissionary Messianic Judaism* 2005 Mark Kinzer has challenged theologians and religious leaders to consider the essential ecumenical vocation of Jewish disciples of Jesus Proposing a bilateral ecclesiology in solidarity with Israel he argued that the overcoming of Christian supersessionism required a robust affirmation of the distinctive calling of Jews within the community of Jesus the Messiah In this way Kinzer's work put the issue of Jewish followers of Jesus on the theological agenda for those seeking a reparative reconfiguration of the relationship between the church and the Jewish people In recent years Kinzer has attended to the theological implications of this perspective and has widened his focus to include not only the Messianic Jewish movement but also Jews within Catholic Orthodox and Protestant churches The present collection of essays reflects this wider concern According to Kinzer the theological stones of contention are Christology conceived of as Messianology ecclesiology understood as Israelology and eschatology imagined as Zionology Moreover it is the presence of Jewish disciples of Jesus that concretizes these theological abstractions in the form of Jewish flesh and blood summoning Jews and Christians to rethink their relationship to one another in ways that express their essential mutual dependence

Chosen to Follow Knut H. Høyland, Jakob Wilms Nielsen, 2012 **Jesus and the Manuscripts** Craig A. Evans, 2020-01-01

Jesus and the Manuscripts Craig A Evans Jesus and the Manuscripts by popular author and Bible scholar Craig A Evans introduces readers to the diversity and complexity of the ancient literature that records the words and deeds of Jesus This diverse literature includes the familiar Gospels of the New Testament the much less familiar literature of the Rabbis and of the Qur n and the extracanonical narratives and brief snippets of material found in fragments and inscriptions This book critically analyzes important texts and quotations in their original languages and engages the current scholarly discussion Evans argues that the Gospel of Thomas is not early or independent of the New Testament Gospels but that it should be dated to the late second century He also argues that Secret Mark like the recently published Gospel of Jesus Wife is probably a modern forgery Of special interest is the question of how long the autographs of New Testament writings remained in circulation Evans argues that the evidence suggests that most of these autographs remained available for copying and study for more than one hundred years and thus stabilized the text Key points and features Written by popular author and Bible scholar Craig A Evans Includes 20 pages of high quality color photos Walks readers through the various works of ancient literature both biblical and non biblical that mention Jesus Critically analyzes important texts and quotations in their original languages and engages the current scholarly discussion

Within Judaism? Interpretive Trajectories in Judaism, Christianity, and Islam from the First to the Twenty-First Century Anders Runesson, Karin Hedner

Zetterholm, 2023-11-27 This book charts the shifting boundaries of Judaism from antiquity to the modern period in order to bring clarity to what scholars mean when they claim that ancient texts or groups are within Judaism as well as exploring how rabbinic Jews Christians and Muslims have negotiated and renegotiated what Judaism is and is not in order to form their own identities Belief in Jesus as the Messiah was seen as part of first century Judaism but by the fourth or fifth century the boundaries had shifted and adherence to Jesus came to be seen as outside of Judaism Resituating New Testament texts within first or second century Judaism is an historical exercise that may broaden our view of what Judaism looked like in the early centuries CE but normatively these texts remain within Christianity because of their reception history The historical within Judaism perspective however has the potential to challenge and reshape the theology of contemporary Christianity while at the same time the long held consensus that belief in Jesus cannot belong within Judaism is again challenged by the modern Messianic Jewish movement

The Identity of God's People and the Paradox of Hebrews Ole Jakob

Filtvedt, 2015-08-03 Does the letter to the Hebrews display Jewish or Christian identity Ole Jakob Filtvedt shows that it takes up a traditional Jewish category namely membership in God's people and proposes it for its audience as a collective identity but also significantly reshapes that category in light of belief in Jesus Publisher
