Christmas Island (Indian Ocean) ,1998 Christmas Island Simone Dennis,2008 Christmas Island is a small territory of Australia located in the Indian Ocean It is home to three main ethnic groups the smallest of which are European Australians Christmas Island is also where those who arrive illegally to seek asylum in Australia are accommodated Christmas Island has played a key role in Australian security located as it is at the northern extremity of Australian territory much closer to Indonesia than to the nation to which it belongs and from whose territory it has recently been excised for migration purposes This anthropological exploration the very first one ever undertaken of this strategically important island focuses closely on the sensual engagements people have with place shows how Christmas Islanders make recourse to the animals birds and topographic features of the island to create uniquely islandic ways of being at home and ways of creating others who will never belong under volatile political circumstances BOOK JACKET *Christmas Island, Settlement* Christmas Island Tourism Association, **A Monograph of Christmas Island (Indian Ocean)** Charles William
