Christmas Star Sapphire:

Christmas Star Sapphire (Inspirational Holiday Romance) Hallee Bridgeman, 2015-09-08 MADELINE VISCOLLI finds herself on the Gulf shores of Alabama where she takes part in a graduate program to earn her MBA. On her first day there she meets JOE WESTCOTT, team leader for a campus ministry. Despite a mutual attraction, Joe's personal rule of no romance with any student keeps any kind of deep relationship from developing. Joe has no desire to have a relationship with anyone ever anyway. He left a life of luxury and his family's business behind to live alone on a sailboat and serve in ministry. Then Madeline walks into the auditorium the week school starts and Joe suspects his personal rules might not apply to this graduate student. That is until he discovers Madeline is one of the Viscollis and that her destiny lay in running her father's massive corporation. Having rejected wealth and all its trappings since childhood, Joe finds himself falling for the vivacious sapphire-eyed beauty. Madeline knows she loves Joe but is not willing to throw away her destiny of taking over at the helm of Viscolli Enterprises. A Christmas Eve funeral washes all Joe's plans away. Will their love succumb to the rising tide caused by their differences in lifestyles or will raging seas calm and allow them to sail off into the sunset. Christmas Star Sapphire Hallee Bridgeman, 2017-12-18 Christmas is a time of family and tradition but Joe Westcott has determined to stay alone and single. Madeline Viscolli comes into his life and causes him to start reevaluating what he considers important. A Christmas Eve funeral brings everything to a crest and Joe and Madeline are forced to make a choice that will affect their entire future.

Blizzard in the Bluegrass Hallee Bridgeman, 2022-09-24 Gloria's son is lost in the Christmas blizzard. Will she and Jeff find him in time? Or will the season of joy turn into a tragedy? Despite an ex-husband who abandoned them in the wake of their son's autism diagnosis, GLORIA SUTTON has her life under control. She has a successful large animal veterinary practice in small town Charula, Kentucky, shuttles her son Noah to all of his needed therapies, and volunteers with the children at her church. Everything runs as smoothly as possible even if at times she finds herself overwhelmed in the parenting alone department. Eight-year-old boys provide their own kind of unique challenges and when you throw in a special needs child, the whole single-parenting aspect can at times overwhelm. She knows that there are days that only the strength derived from God can get her through another moment. Widower JEFF BROCK moves to Charula to escape the memories of his wife and daughter leaving behind a prestigious position of doctor of internal medicine at the University of Louisville Hospital to take over his great uncle's small town family practice. He has no desire nor intention to ever date again until his inherited yellow Lab brings him together with his new neighbor and her charming son. Soon he finds himself wanting to let go of the past and for the first time in years seek out a future. When the storm of the century blankets Kentucky under several feet of snow and whiteout conditions on Christmas day, GLORIA and JEFF batten down at her father's house counting their blessings and basking in the warmth of their love. Until they discover that eight-year-old Noah is missing. Will they find him before he succumbs to the elements or will this day forever mark a tragedy in their lives. **The Children's Great Texts of the Bible** James
