Confessions Of An Assassin:

Confessions of an Assassin Linda Heavner Gerald, 2015-03-17 The secret government agency which Catherine Carnegie was enticed to join gave her the hardest assignment of her life in Bali Indonesia Once alluring she now found the glamour and danger not worth the required sacrifice Catherine Carnegie had it all Born into a prestigious family any university in the land would receive her due to the generous endowments of her family Yet her dream was different After reading Margaret Mitchell's masterpiece she dreamed of the south Her family's disappointment did not daunt her She realized her southern dream in Eufaula Alabama Her beautiful home and art gallery located there provided her with pride but that was not enough for Cat The allure of a secret life involving state dinners with Washington's best soon was not enough The more she experienced danger and thrills just like a drug the more she desired Yet eventually regret of her reckless choices haunted her when given an assignment so sordid and black that her previous life beckoned but it was too late Mrs Jones will keep you guessing *Americans in a Splintering Europe* Mark Strecker, 2018-11-21 World War I began in August 1914 the United States did not enter the conflict until April 1917 During those nearly three years of neutrality a small number of Americans did experience the horrors of the war zones of Europe Some ran for their lives as refugees while others like journalists and doctors headed toward the fighting Missionaries in Persia Iran and the Ottoman Empire became witnesses to both the Armenian genocide and the persecution of Assyrian Christians This history focuses on the war from the perspective of ordinary people who found themselves in the midst of what was then the most destructive and bloody war in history **Russian Classical Literature Today** Yordan Ljutskanov, Hristo Manolakev, Radostin Rusev, 2014-06-19 This book explores a range of mis uses of the Russian classical literature canon and its symbolic capital by contemporary Russian literature cinema literary scholarship and mass culture It outlines processes of current canon formation in a situation of the expiration of a literature centric culture that has been imbued with specific messianism and its doubles The book implements Pierre Bourdieu's theory of the cultural field focussing on a field's constitutive pursuit of autonomy and on its flexible resistance to the double pressure of the political field and the economic field It provides material for elaborating this theory through postulating the principal presence of a third factor of heteronomy the strong neighbour within the cultural field Furthermore this volume demonstrates the heuristic of comparing the current Russian mis uses of classical literature to prior Russian and current foreign ones As such it also discusses such issues as the historical relativity of a literary field's notion of autonomy and the geo cultural variability of the Russian literary canon **Lincoln's Assassin** J. F. Pennington, 2015-04-07 A riveting fictionalized confessional of John Wilkes Booth that evokes a world of conspiracy political duplicity and theatricality In 1890 actor John Wilkes Booth long presumed dead emerged from twenty five years of anonymity in his wilderness refuge to expose those truly responsible for the Lincoln assassination and its ensuing cover up to unite with the children he had never known and recover what he might of his sense of purpose and dignity After shooting President Abraham Lincoln Booth

fled into the night and government reports claimed he was killed twelve days later But the man who was shot in the head and burned in a tobacco shed fire before being covertly transported to Washington was never fully identified Friends as well as members of America s premier family of the theatre of which he was a member were barred from even viewing the body the only photograph taken of the corpse was never printed and then lost and a strangely ceremonious martial court presided over a secret burial Rumour immediately began to circulate Booth was still alive In Lincoln s Assassin Jeffrey Pennington presents Booth s own story of flight and return detailing how another was shot in his place as he escaped to nominal freedom and obscurity leaving behind all his personal belongings and the stage life he once knew The larger conspiracy in which he was embroiled is unpicked in stylish fashion exploring the political landscape in which Lincoln lived and died Written in a confessional style it aims to offer an insight into the true motivations at the heart of the Lincoln assassination an event that continues to be the subject of much theorising and interest Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

Petrocelli John Rachel,2015-10-28 Lenny Petrocelli had always been a slacker a mediocre low life getting by on his good looks and street smarts One day he woke up Entangled by his gangland bosses in the web of child prostitution and human trafficking he was being set up as the fall guy to take the rap if the horrifying but lucrative enterprise went down Seeing the violence and abuse young girls from Asia were subjected to in the gruesome world of sex slavery Lenny did the most difficult but the most important thing in his entire life He became a better person Now he would risk everything even his life to put an end to this savage exploitation Peer into this awful world See it through Lenny s eyes Discover what s possible even in the face of the worst most pernicious evil and cruelty Embrace the promise of redemption and the power of love

The Assassin's Touch Laura Joh Rowland,2025-10-16 Elegantly told and interspersed with delicious bits of history Kirkus Reviews Laura Joh Rowland s The Assassin s Touch is a mystery set in feudal Japan you won t want to miss May 1695 During a horse race at Edo Castle the chief of the shogun s intelligence service Ejima Senzaemon drops dead as his horse gallops across the finish line the fourth in a recent series of sudden deaths of high ranking officials Sano Ichiro is ordered to investigate despite his recent promotion to chamberlain and his new duties as the shogun s second in command Meanwhile Sano s wife Reiko is invited to attend the trial of Yugao a beautiful young woman accused of stabbing her parents and sister to death The woman has confessed but the magistrate believes there is more to this case than meets the eye He delays his verdict and asks Reiko to prove Yugao s guilt or innocence As their investigations continue both Sano and Reiko come to realize that the man he is trying to hunt and the woman she is

desperate to save are somehow connected A single fingerprint on Ejima's temple puts Sano on the trail of an underground movement to overthrow the regime and in the path of an assassin with a deadly touch Creepy Stories of Killer Spies Amrahs Hseham, 2025-01-21 The tales in this collection are more than mere entertainment they serve as a chilling reminder that in the covert world of espionage nothing is as it seems The protagonists often caught in a web of moral ambiguity face adversaries who are not only skilled in combat and subterfuge but are also masters of psychological manipulation The Killer Spies showcased here embody the duality of their profession the allure of danger and the terror of the unknown In *Shadow of the Silent Assassin* you will follow Detective Elena Russo as she unravels a series of murders each one executed with chilling precision The silent assassin leaves behind a trail of clues that lead Elena deep into the heart of a deadly conspiracy forcing her to confront her fears and uncertainties *Whispers in the Dark* immerses you in the world of Agent Nathan Blackwood whose mission takes a terrifying turn when he stumbles upon a secret society with a penchant for dark rituals As Nathan delves deeper into society's machinations he finds himself entangled in a supernatural battle that threatens not only his life but the fate of the world Below the Line Sara Chin, 1997-11 An anthology in which Chinese Americans try to make sense of their divided history and culture In the title story old men in Chinatown record their wills on videotape in another a typhoon diverts a woman's plane to Taiwan where she receives a lesson in family history The Assassin's Game: A Thrilling Dance of Intrigue and Suspense Susana J. Santana, 2024-10-30 Dive into a world of shadows and secrets in *The Assassin's Game* A Thrilling Mystery of Intrigue and Suspense When a renowned assassin known only as The Raven targets a powerful figure a seasoned detective is drawn into a deadly game of cat and mouse Unraveling a complex web of hidden motives and simmering rivalries the detective confronts a shadowy network of influence facing personal betrayals and a relentless pursuit of the truth As the stakes rise and the lines between friend and foe blur the detective must navigate a labyrinth of deception and lies to expose the Raven's identity and the motives behind the assassination plot This gripping thriller will keep you on the edge of your seat as the detective faces a heart wrenching decision confronting a past choice and questioning their own beliefs Will they be able to bring the assassin to justice or will the shadows of the game forever haunt them The Assassination of William McKinley Cary Federman, 2017-12-06 This book is an examination of the assassination of President William McKinley by Leon Czolgosz an American born purported anarchist This work offers a new and different way to approach historical crime stories Rather than accepting the idea that Czolgosz was inherently dangerous because of his ethnic background or his obscure political statements Federman argues rather that political relations historical events and the developing discourses in the natural and social sciences toward normal and pathological behaviors structured the meaning of the assassination Federman proposes there are six ways to view an assassin each corresponding to a social science Consequently each chapter of this manuscript examines a social science and its relation to the assassination Overall there are three purposes to this work One is to examine the rise of the social sciences at the time of the assassination The

second is to explore the historical and political understanding of political violence and the third is to examine the meaning of legal responsibility
