 tool for anyone who desires to follow Christ more closely Conformed to His Image ,2024 What does a real relationship
 with God look like What is the biblical vision of true spiritual life How do we grow in spiritual maturity How we answer these
 questions influences the health potency and witness of Christians in an increasingly complex and hostile world Conformed to
 His Image Revised Edition answers these questions with clarity and insight offering a comprehensive balanced and
 applicable guide to spiritual growth Designed for use in college and seminary courses but also highly appropriate for any
 serious Christian wanting to grow this revised edition helps readers build their lives on a fully biblical foundation With
 chapter overviews and objectives questions for personal application a glossary a list of key terms and helpful appendices
 Conformed to His Image Revised Edition provides a defining text for the student pastor and church leader of today and
 tomorrow This revised edition includes new recommended resources throughout more recent examples of subjects discussed
 and updated wording to better reflect our postmodern context The Theology of the Christian Life in J.I. Packer's Thought
 Don J. Payne,2006-06-01 This study offers a critical analysis of J I Packer s theology of the Christian life Packer has achieved
 international acclaim and wielded widespread influence within evangelicalism for more than three decades particularly
 through his writings on the doctrine of sanctification His approach to sanctification is examined in light of the theological
 anthropology and theological method that constitute its unique structure and assumptions J I Packer has been one of the
 most recognized evangelical theologians of the late twentieth century Among his theological passions is anchoring the
 Christian life in the legacy of Reformed theology particularly that expressed by seventeenth century English Puritanism Yet
 his treatment of the doctrine of sanctification is shaped by two other influences theological anthropology and theological
 method This hermeneutical exploration of Packer s treatment of sanctification offers fresh insight into his thought and
 demonstrates the often unnoticed impact of theological anthropology and theological method within evangelical theology
 , **Discipled by Jesus** Robert Gelinas,2018 Jesus is alive So why do we follow him like he s not Sometime during the
 centuries between Jesus time on earth and ours we started to believe that living vicariously through the ancient disciples was
 the closest we could ever get to being discipled by Jesus But Jesus promised to never leave us or forsake us He is alive and
 because of his great love for each of us Jesus is ready willing and able to do for us what he did for the twelve Robert Gelinas
 dives into the Bible to show us the Jesus of the gospels and the Jesus who is alive and yearning to disciple each one of us

today Isn't it time we allowed ourselves to be disciplined by Jesus *The Merging of Theology and Spirituality* Larry S. McDonald, 2006-07-29 While acknowledging the inherent tension between evangelicals who emphasize theological propositions and those who emphasize personal experience Alister McGrath believes that spirituality represents the interface between ideas and life between Christian theology and human existence The book explores the centrality of McGrath's theology in the development of his views on spirituality McGrath does not approach spirituality from a theological void but instead uses his theological perspective as the foundation Through detailed examination of McGrath's previous work and the writing of other evangelicals *The Merging of Theology and Spirituality* offers an overview of a unique thinker's contributions and a guide for future theological and spiritual exploration **Effective Discipling in Muslim Communities** Don Little, 2015-07-10 Muslims who come to Christ face momentous spiritual psychological and social obstacles that drive many to abandon their faith Missiologist Don Little draws on New Testament principles historical practices and interviews with seasoned disciplers ministering in Muslim countries to effectively disciple believers from Muslim backgrounds

Sanctified Imagination Ivan L. Hartsfield, 2023-07-14 The first of its kind this seminal work charts the unlikely theological quest for Christian holiness by founder Charles Harrison Mason and the Wesleyan Holiness Pentecostal tradition known as the Church of God in Christ COGIC the largest Pentecostal denomination in the United States Through fresh research and critical analysis this book challenges existing assumptions by scholars and reveals how little known black renewal movements informed Mason's theological understanding and that of the movement The rich theological resources of this historically marginalized movement are not primarily accessible in academic journals position papers or theological treatises Instead these resources function as lived religion where the theological presuppositions are embedded in primitive worship ecstatic religious practices and countercultural distinctives By unpacking the lived religion of this self-professed sanctified church this book explores how sanctification and the practice of Christian holiness shaped and empowered the COGIC its people and its practices in creative and profound ways resulting in a radical holiness ethic that emerged from an inexhaustible exilic vitality with personal social and political implications Given the challenge of Christian nationalism today this book provides a framework that informs Christian identity and faithful living for the broader Christian community
