

2) Describe the appearance of the stranger when he arrived at the inn. Why was Mrs Hall scared out of her wits by his appearance?

The stranger was wrapped from head to toe and the large hat that he wore hid every inch of his face except the shiny tip of his nose.

Mrs Hall gave him a room. When she went there, she noticed that his clothes were still on.

He was also wearing big blue spectacles with sidelights and had a bush side-whisker over his coat-collar that completely hid his cheeks and face. The next time she went into the room, she saw that the stranger had taken off his overcoat and hat. He was holding a handkerchief to his mouth that hid the lower portion of his jaw and that made his voice muffled. But what was more startling was that his whole face, except his pink nose, was covered in bandages. His hair bent through the bandages and gave him the most grotesque appearance. It gave Mrs Hall the shock of her life.
