debut coming of age mystery novel Xander is an unlikely and unwilling recruit to Phaedra's cause. His father Starj just died. His immature brain still can't wrap itself around God letting the Dodgers slip out of Brooklyn. Before meeting Phaedra, he is bullied continually and suffers a vicious sexual assault at his new school. The supernatural and natural worlds flow together like hot and cold from a tap as Phaedra and Xander forge an uneasy alliance to disprove the findings of the village police that Pretty's death was a suicide. Phaedra suspects boys from Xander's school murdered the love of her life, Pretty Flower. She communicates with the two amateur detectives through dreams as they forge a dangerous plan, climaxing in an outdoor trial on the bridge where death found Pretty Flower and where Xander must use his new powers if he's to avoid a similar fate.

In Drisgula's novel, Xander tells his own story, often with a lighter touch softening some of its harsher themes by unmasking the dark humor skulking in the shadows behind forbidden sex, bullying, death, rape, murder, and sin. **Black Belt**, 1963 The oldest and most respected martial arts title in the industry, this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world, including techniques and strategies.
