From the Shores of Silence Ashley Cocksworth, Rachel Starr, Stephen Burns, 2023-01-31 Feminist practical theology has emerged in the gap between wider feminist and wider practical theology It celebrates distinctive concerns arguments emphases and questions unafraid to re form practical theology in shape and substance and to guide feminist theology towards the silences and stories of human lives that some professional theologies including those shaped by feminist commitments sometimes overlooks Feminist practical theology is bold in exploration of doctrinal themes in poetic and prayerful modes characteristically collaborative and in search of alliances with other advocacy perspectives In the UK such commitments have been exemplified by Nicola Slee whom this volume honours Chapters invite readers into wide ranging conversations that flow from young women's experiences at university poetic practice as theology queer priesthood theologies of critical masculinities women presiding in worship Black and decolonial theologies adjacent to

feminist convictions confrontations with sexual violence rest and rewilding and a post menopausal Mary Contributors are Al Barrett Gavin D Costa Deborah Kahn Harris Michael N Jagessar Sharon Jagger Rachel Mann Jenny Morgans Eleanor Nesbitt Karen O Donnell Mark Pryce Anthony G Reddie Ruth Shelton and Alison Wooley *Faith-Based ACT for Christian Clients* Joshua J. Knabb, 2022-07-12 Faith Based ACT for Christian Clients balances empirical evidence with theology to give mental health professionals a deep understanding of both the why and how of acceptance and commitment therapy ACT for Christians The new edition includes updated discussions in each chapter more than 20 new and updated exercises and new chapters on couples and trauma The book includes a detailed exploration of the overlap between ACT and the Christian faith case studies and techniques that are explicitly designed to be accessible to both non Christian and Christian including evangelical Christian counselors and therapists Chapters also present the established research on Buddhist influenced mindfulness meditation and newer research on Christian derived meditative and contemplative practices and lay a firm theological foundation through the use of engaging biblical stories and metaphors Ending Human Trafficking Shayne Moore, Sandra Morgan, Kimberly McOwen Yim, 2022-04-05 Human trafficking is one of the most pressing social justice issues of our time Though renewed interest in this issue among Christians is a wonderful thing misinformed and misguided efforts can do more harm than good Written by seasoned leaders and grounded in theology and up to date data this accessible and compelling handbook will educate churches and organizations for truly effective work **Liturgical Mission** Winfield Bevens, 2022-09-20 Modern missional movements have often viewed the historic Christian traditions as too insular focused on worship and the interior life of the church rather than evangelism and good works Winfield Bevens argues that liturgy and sacramental life are in fact deeply missional and offer a holistic framework for everyday discipleship and mission
