Childs Book Of Wisdom A:

A Child's Guide To Wisdom Everton Robinson, 2018-05-31 A Child's Guide to Wisdom was designed to serve as a guide for parents in the transferal of wisdom to their children. The book offers a collection of fifty key principles in the form of easy to remember common sense based definitions intended to build character in your child by instilling in him or her important qualities that will result in a life of wisdom and success. Even before the child is able to read on his own exposure to the principles in A Child's Guide to Wisdom through oral repetition can provide tremendous benefit in the early shaping and development of the child's character. For the older student the book offers the parent or guardian a compensation system that may be used to motivate the reader to learn the principles. Mastery of the principles presented in A Child's Guide to Wisdom can add great value and effectiveness to the way in which the child approaches problems and addresses challenges throughout his or her life. This simple yet powerful book is a must for every home library and a valuable resource for organized youth training and development programs.

Children's Liturgy of the Word 2009 - 2010: A Weekly Resource - Celebrating the Lectionary, **Wisdom's Children** Linda M. Northrup, 2007-03-07 Wisdom's Children is an inspired guide to the needs of today's children, many of whom simply do not respond to our current educational system. Reading this information brings greater understanding and healing. Dr. Christiane Northrup, author of *Mother Daughter Wisdom* (Bantam 2005), *The Wisdom of Menopause* (Bantam 2001), and *Women's Bodies, Women's Wisdom* (Bantam 1998). While in meditation, I sensed the familiar urging of my inner voice and reached for a pen. Children are arriving in vast numbers to assist in the crossover to an enlightened age. They are a new prototype of human being, and their soul purpose is to help humanity return to love. Wisdom's Children describes a new generation of highly sensitive children whose heightened vibration and consciousness can bring about a transformation in the hearts of humanity. It blends metaphysical information the author received intuitively with her experiences as a teacher and a parent. She has witnessed the beauty of these children as they struggle to adapt to a world and an outmoded educational system that doesn't recognize their expanded perceptions and abilities. The young beings among you carry an intuitive knowledge of universal truth and reflect your deepest longing as spiritual beings to live in harmony with each other and the earth.
