Daisy Princess Of Pless 1873 1943 A Discovery:

Daisy, Princess of Pless, 1873-1943 W. John Koch, 2003 Married to one of Imperial Germany's wealthiest princes Daisy of Pless nee Cornwallis West occupied a prominent place in Edwardian Society The biography of Princess Daisy of Pless becomes a journey of discovery through the life of a woman who was beautiful intelligent idealistic and creative in pursuing her humanitarian and political goals Daisy of Pless was the friend of King Edward VII and Emperor Wilhelm II She fought against many adversities for the betterment of life of the poor and the working class and for peace in Europe In the end although as a woman and as a member of her class she was ahead of her time her accomplishments went unrecognized and she was quickly forgotten except by the poor and the working people of Lower Silesia she had helped so effectively Celebrated as one of the great beauties of Edwardian England and as the glamorous hostess of the international set at Castle Furstenstein in Imperial Germany Daisy of Pless led a life of remarkable triumphs that ended suddenly with the onset of the Great War Between 1914 and 1918 condemned to life in enemy country she served as auxiliary nurse on German and Austrian hospital trains in France and in Serbia Her last triumph was the publication of her diaries after 1927 Her life ended in a great tragedy of chronic illness social isolation and poverty With this startling biography the accomplishments of Daisy of Pless may rise from obscurity to a recognized place in history and inspire readers everywhere **Virginia Woolf, the War Without, the War Within** Barbara Lounsberry, 2020-01-06 Choice Outstanding Academic Title In her third and final volume on Virginia Woolf's diaries Barbara Lounsberry reveals new insights about the courageous last years of the modernist writer's life from 1929 until Woolf's suicide in 1941 Woolf turned more to her diary and to the diaries of others for support in these years as she engaged in inner artistic wars including the struggle with her most difficult work *The Waves* and as the threat of fascism in the world outside culminated in World War II During this period the war began to bleed into Woolf's diary entries Woolf writes about Hitler Mussolini and Stalin copies down the headlines of the day and captures how war changed her daily life Alongside Woolf's own entries Lounsberry explores the diaries of 18 other writers as Woolf read them including the diaries of Leo Tolstoy Dorothy Wordsworth Guy de Maupassant Alice James and Andr  Gide Lounsberry shows how reading diaries was both respite from Woolf's public writing and also an inspiration for it Tellingly shortly before her suicide Woolf had stopped reading them completely The outer war and Woolf's inner life collide in this dramatic conclusion to the trilogy that resoundingly demonstrates why Virginia Woolf has been called the Shakespeare of the diary Lounsberry's masterful study is essential reading for a complete understanding of this extraordinary writer and thinker and the development of modernist literature **Clairvoyant of the Small** Susan Bernofsky, 2021-05-25 The first English language biography of one of the great literary talents of the twentieth century written by his award winning translator Bernofsky takes us into the heart of an artist's life work struggles brilliantly illuminating Walser's exquisite sensibility and uncompromising radical innovations while deftly tracking how his life gradually came apart at the seams A tragic and intimate portrait Amy Sillman

Robert Walser is the perfect pathetic poet pithy awkward drinks too much sibling rivalrous ambitious broke and mentally ill Was he proto queer or trans this red headed writer who next to Gertrude Stein might be the most influential writer of our moment Riveting and heart breaking this biography kept me drunk for days Eileen Myles The great Swiss German modernist author Robert Walser lived eccentrically on the fringes of society shocking his Berlin friends by enrolling in butler school and later developing an urban nomad lifestyle in the Swiss capital Bern before checking himself into a psychiatric clinic A connoisseur of power differentials his pronounced interest in everything inconspicuous and modest social outcasts and artists as well as the impoverished marginalized and forgotten prompted W G Sebald to dub him a clairvoyant of the small His revolutionary use of short prose forms won him the admiration of Franz Kafka Walter Benjamin Robert Musil and many others He was long believed an outsider by conviction but Susan Bernofsky presents a more nuanced view in this immaculately researched and beautifully written biography Setting Walser in the context of early twentieth century European history she provides illuminating analysis of his extraordinary life and work bearing witness to his extreme artistic delight

A Country In The Moon Michael Moran,2011-06-02 In this uproarious memoir and meticulously researched cultural journey writer Michael Moran keeps company with a gallery of fantastic characters In chronicling the resurrection of the nation from war and the Holocaust he paints a portrait of the unknown Poland one of monumental castles primeval forests and of course the Poles themselves This captivating journey into the heart of a country is a timely and brilliant celebration of a valiant and richly cultured people

indecent and injustice. A compelling German historical biography of faith framed by religious, political, and military conflict set in the twin cataclysmic backdrop of both world wars as seen from a fresh Polish perspective. The narrative is enriched with a wide array of compelling and heroic personal stories including of many extraordinary women such as the Junker matriarch Ruth von Kleist and her children in defiance of multiple manifestations of tyranny. The central figure Dietrich Bonhoeffer, of whom Ruth came to regard like a son, becomes disenchanted with the State Church's appeasement of the National Socialist agenda and transitions into a double life as pastor and spy. As the tension builds to the tragic climax, one can draw disturbing parallels with the modern-day subversion of all faiths, Western and traditional, and all other manner of human rights abuses in Xi Jinping's People's Republic of China with tacit approval from the Vatican in Rome. Moreover, eerie parallels from the death throes of Weimar Germany for America in 2020-21.
