Damages Claims for the Infringement of EU Competition Law Peter John Davis, Ioannis Lianos, Paolisa Nebbia, 2015
Damages Claims for the Infringement of EU Competition Law provides a critical analysis of damages claims for the infringement of EU competition law by combining a theoretical with a practical perspective The work looks at the relevant EU framework focusing on the recently adopted Damages Directive examining all aspects of EU law that may be relevant to damages claims whether or not brought by a consumer including a thorough analysis of the rarely examined causation aspects alternative dispute resolution as well as private international law instruments Causal Uncertainty and Damages Claims for Infringement of Competition Law in Europe Ioannis Lianos, 2015 *Causation in Competition Law Damages Actions* Claudio Lombardi, 2020-01-02 Elucidates the concept of causation in competition law damages and outlines its practical implications through relevant case law **The Impact of the Damages Directive on the Enforcement of EU Competition Law** Kirst, Philipp, 2021-12-09 This cutting edge book provides a thorough analysis of the transposition of the rules of the EU Damages Directive examining their impact on the enforcement of competition law and the victim's right to full compensation It also studies the possible consequences of an anticipated rise in civil damages actions in Europe and how this in turn may alter the effectiveness of the enforcement system Competition Damages Actions in the EU David Ashton, 2018-03-30 In this revised and much expanded second edition David Ashton provides a comprehensive review of the EU damages directive Directive 2014/104/EU and its implementation bringing the book up to date with the latest advances in EU Competition Law damages actions This edition also features insights from practising lawyers on national developments in over 10 countries across Europe and an updated separately authored chapter on the quantification of loss This book will provide practising lawyers and scholars alike with a clear well structured and updated guide to EU Competition Law Damages Competition Damages Actions in the EU and the UK David Ashton, 2023-01-20 Competition Damages Actions in the EU and the UK is the clearest and most coherent reference point on damages actions for breach of EU competition law

Damages for Violations of Human Rights Ewa Bagińska, 2015-10-20 This volume analyses the legal grounds premises and extent of pecuniary compensation for violations of human rights in national legal systems The scope of comparison includes liability regimes in general and in detail the correlation between pecuniary remedies available under international law and under domestic law and special alternative compensation systems All sources of human rights violations are embraced including historical injustices and systematic and gross violations The book is a collection of nineteen contributions written by public international law international human rights and private law experts covering fifteen European jurisdictions including Central and Eastern Europe the United States Israel and EU law The contributions initially prepared for the 19th International Congress of Comparative law in Vienna 2014 present the latest developments in legislation scholarship and case law concerning domestic causes of action in cases of human rights abuses The book

concludes with a comparative report which assesses the developments in tort law and public liability law the role of the constitutionalisation of the right to damages as well as the court practice related to the process of enforcement of human rights through monetary remedies This country by country comparison allows to consider whether the value of protection of human rights as expressed in international treaties *ius cogens* and in national constitutional laws justifies the conclusion that the interests at stake should enjoy protection under the existing civil liability rules or that a new cause of action or even a whole new set of rules should be created in national systems

The Law of Damages and Compensation Frederick Octavius Arnold, 1919

Research Handbook on Private Enforcement of Competition Law in the EU Barry J. Rodger, Miguel S. Ferro, Francisco Marcos, 2023-02-14 The Research Handbook on Private Enforcement of Competition Law in the EU provides wide ranging coverage of a key aspect of competition law enforcement which is undergoing constant and rapid growth in significance The Handbook examines the private enforcement of competition law across the EU and beyond shedding light on pertinent and underlying issues

The Transformation of Enforcement Hans-W. Micklitz, Andrea Wechsler, 2016-04-07 This insightful book considers the phenomenon of the transformation of enforcement in European economic law while adopting a distinct global perspective The editors identify and respond to the need for reflection on transformation processes in the area of enforcement by bringing together the leading international and European scholars in a variety of disciplines to share and compare experiences and learning in different areas of law Rooted in a wide and regulatory understanding of enforcement this book showcases the transformation of enforcement with reference to both European economic law especially transnational commercial law competition law intellectual property law consumer law and to the current context of significant global economic challenges Comparative perspectives facilitate the formation of a holistic perspective on enforcement that reaches beyond distinct theoretical accounts political agendas regulatory systems institutional patterns particular remedies industry sectors and stakeholder perspectives As the first comprehensive and comparative analysis of the enforcement of European economic law that reaches beyond closely confined areas of law it constitutes a crucial contribution to the theoretical and policy questions of how to design a coherent European enforcement architecture in accordance with essential principles and objectives of the EU economic order This unique study will have broad appeal By exploring enforcement transformations from a legal and a cross disciplinary perspective it will be essential reading for scholars practitioners and policymakers from different disciplines
