Christmas In San Diego Images Of Modern America:

Christmas in San Diego Bill Swank, 2015 What is the true meaning of Christmas The author believes the answer is found in the Golden Rule Christmas should be about being good to one another Christmas in San Diego therefore focuses on people who bring joy to others Locals are blessed to have many special individuals who share their spirit to make Christmas in San Diego a special season for everyone This book is divided into five chapters the history of Christmas in San Diego the many Christmas traditions throughout San Diego the various ways Christmas is celebrated within the communities of San Diego County unique San Diego Christmas trees and lastly some special Santa Diego Santas *The American Magazine of Art*, 1929

Christmas as Religion Christopher Deacy, 2016-07-28 In Christmas as Religion Christopher Deacy explores the premise that religion plays an elementary role in our understanding of the Christmas festival but takes issue with much of the existing literature which is inclined to limit the contours and parameters of religion to particular representations and manifestations of institutional forms of Christianity Religion is often tacitly identified as having an ecclesiastical frame of reference so that if the Church is not deemed to play a central role in the practice of Christmas for many people today then it can legitimately be side lined and relegated to the periphery of any discussion relating to what Christmas means Deacy argues that such approaches fail to take adequate stock of the manifold ways in which people's beliefs and values take shape in modern society For example Christmas films or radio programmes may comprise a non specifically Christian but nonetheless religiously rich repository of beliefs values sentiments and aspirations Therefore this book makes the case for laying to rest the secularization thesis with its simplistic assumption that religion in Western society is undergoing a period of escalating and irrevocable erosion and to see instead that the secular may itself be a repository of the religious Rather than see Christmas as comprising alternative or analogous forms of religious expression or dependent on any causal relationship to the Christian tradition Deacy maintains that it is religious per se and moreover it is its very secularity that makes Christmas such a compelling and even transcendent religious holiday
