Christian John Hoffman, 2015-12-03 Many people have gone on the endless quest to change their life circumstances for the better The only problem is people look to external sources self help books or self help classes Positive motivational speakers True change starts by having your inner person changed There is a person in Christianity who has the power love and desire to change you and your circumstances forever and that is Jesus Christ Jesus paid a dear price to change your life dramatically Millions have changed their lives throughout history How By talking daily to Jesus Read about Him in the Bible Discover His answer to life even eternity s problems He has all the answers for you His method is free and has worked over thousands of years and been experienced by millions of people all over the world Many people have had encounters with Jesus Christ These encounters can be powerful and life changing The best part is that all these promises may sound too good to be true They re not because the One who made the promises is the author of the Bible He always keeps His word He has kept His Word for thousands of years You just have to invite Him into your life to be His friend He is the only One who can give you inner peace He guarantees if you ask Him to be your friend He will give you eternal life Do these promises sound beyond your human ability They are This is why we need Jesus Christ to empower us to take a hold of these promises In this book we will talk about how Christians can have the power to resist temptations in our everyday life We will also answer a lot of Christianity related questions and find out why we should follow the risen Lord Jesus *A Brief Introduction to*

Howell, 2009-06-01 This introductory level book on Christianity looks clearly at what the church believed and taught throughout its history Hard questions about the Bible theology and the Christian life are dealt with As author veteran scholar and pastor James Howell puts it Great hope rests in thinking through these questions In doing so he explores what it means to live as a Christian as part of the church community and also what it means to live with the hope Christian faith provides even for those who previously believed there was no hope Study questions for discussion are included **Re-Introducing Christianity** Amir Azarvan, 2016-03-22 Faith means making a virtue out of not thinking And those who preach faith and enable and elevate it are intellectual slaveholders keeping mankind in a bondage to fantasy and nonsense that has spawned and justified so much lunacy and destruction Bill Maher Many seem unaware that contemporary critiques of Christianity are relevant mostly to its modern offshoots whose followers have to some extent earned Bill Maher s unflattering caricatures To its detriment Christianity is increasingly identified in people s minds with these more recent expressions As a result a growing number of people are turning away from Christianity and indeed religious faith altogether Drawing from an eclectic group of theologians clergy members monastics and lay scholars this edited volume re introduces Christianity to a modern audience It presents a more authentic experiential side of Christianity to the religious skeptic a side that eschews blind faith legalism and judgment a side that is rarely given a hearing in the ongoing debate with today s skeptics Re Introducing Christianity is also directed at modern Christians and refutes their most frequently expressed criticisms of what the contributors boldly but humbly call the Apostolic Faith
