Christian De Cherg Christian De Cherg:

Christian de Chergé Krokus, Christian S.,Zanzana, Habib,2025-04-02 **Seven Cistercian monks of Our Lady of Atlas, Algeria** Christian de Chergé,1996 **Christian de Cherge** Jean Olwen Maynard,2003 Christian de Cherge Christian Salenson,2012-08-01 Christian de Cherg prior of the Cistercian community at Tibhirine Algeria was assassinated with six of his fellow monks in 1996 De Cherg saw his monastic vocation as a call to be a person of prayer among persons who pray that is among the Muslim friends and neighbors with whom he and his brothers shared daily life De Cherg s writings bear witness to an original thinker who insists on the value of interreligious dialogue for a more intelligent grasp of one s own faith Christian Salenson shows us the personal ecclesial and theological foundations of de Cherg s vocation and the originality of his life and thought He shows how the experience of a small monastery lost in the Atlas Mountains of Algeria contributes importantly to today s theological debates **God for All Days** Matthew Cheung Salisbury,2025-03-15 Gain deeper insights into Christian de Cherg s search for God in community Christian de Cherg was the prior of the Trappist community of Our Lady of Atlas in Tibhirine Algeria until his assassination with six of his fellow monks in 1996 Drawn from the last two years of his life these chapter talks to his brothers offer deeper insight into the monastic search for God in community during tumultuous times These talks are a treasury of inspiration for those interested in Benedictine spirituality and a valuable source of reflections on Muslim Christian relations to accompany those who engage in religious encounter in a pluralistic environment *Christian de Cherg*, Christian Salenson,2012 Angels occupy a significant space in contemporary popular spirituality Yet today more than ever the belief in the existence of intermediary spirits between the human and divine realms needs to be evangelized and Christianized Angels and Demons offers a detailed synthesis of the givens of the Christian tradition concerning the angels and demons as systematized in its essential principles by St Thomas Aquinas Certainly the doctrine of angels and demons is not at the heart of Christian faith but its place is far from negligible On the one hand as part of faith seeking understanding angelology has been and can continue to be a source of enrichment for philosophy Thus reflection on the ontological constitution of the angel on the modes of angelic knowledge and on the nature of the sin of Satan can engage and shed light on the most fundamental areas of metaphysics epistemology and ethics On the other hand angelology insofar as it is inseparable from the ensemble of the Christian mystery from the doctrine of creation to the Christian understanding of the spiritual life can be envisioned from an original and fruitful perspective Provided by publisher *Mysticism and Witness in Koinonia* Maria Clara Bingemer,2023-11-10 Testimony until the end in a radical donation of life and blood can be communitarian and not only individual That is the case for the two communities of Trappists and Jesuits so different in their form and so close in their radicality One is contemplative the other active one is in Africa the other in Latin America Both are religious Catholic orders Nevertheless the cause of their violent death is secular For one there is love and dialogue with otherness other cultures other religions other beliefs For the other there is justice for those

who are the victims of iniquitous economic and political systems the poor Assuming secular causes into their religious consecration and commitment those communities teach today to the plural society we live in how to be open to otherness to difference and to the various vulnerabilities that clamor for justice They also teach to the churches a new radical way to live the gospel not with a unique institutional point of view but with an unlimited openness to all hungers and thirsts of the world Their martyrdom is a liturgy celebrated publicly instigating reflection and action

No Peace Without Prayer Timothy Wright, 2013 Abbot Timothy Wright proposes sowing a small seed from which might grow a greater respect between the world's two largest religions Christianity and Islam Indeed he believes that the seed has been already planted Christians give unique value to their revealed Scriptures as the Word of God Muslims speak of the Qur'an as God speaking to them In No Peace without Prayer Wright presents the case to establish groups of Christians and Muslims dedicated to sharing their respective Divine Word in ways that enhance the other to gain a greater mutual understanding The key word says Wright is partnership arising from their shared belief in the One God creator of the universe communicating with the human world and merciful to the repentant Back cover
