Children And Criminality Children And Criminality

Rob Allen

Children And Criminality Children And Criminality:

Atrocity Crimes, Children and International Criminal Courts Cécile Aptel, 2023-04-28 This book shows how international criminal courts have paid only limited and inconsistent attention to atrocity crimes affecting children It elucidates the many structural legal financial and even attitudinal obstacles often overlapping that have contributed to the international courts focus on the experience of adults rendering children almost invisible It reviews whether and how different international and hybrid criminal jurisdictions have considered international crimes committed against or by children The book also considers how international criminal justice can help contribute to the recognition of the specific impact that international crimes have on children whether as victims or as participants and strengthen their protection Finally it proposes an agenda to improve this situation making specific recommendations encompassing the urgent need to further elaborate child friendly procedures It also calls for international investigative and prosecutorial strategies to be less adult centric and broaden the scope of crimes against children beyond the focus on child soldiers This book is an invaluable resource for academics researchers and fieldworkers in the areas of international criminal law international human rights law child rights international humanitarian law child protection and transitional justice

Juvenile Crime, Juvenile Justice Institute of Medicine, National Research Council, Commission on Behavioral and Social Sciences and Education, Board on Children, Youth, and Families, Committee on Law and Justice, Panel on Juvenile Crime: Prevention, Treatment, and Control, 2001-07-05 Even though youth crime rates have fallen since the mid 1990s public fear and political rhetoric over the issue have heightened The Columbine shootings and other sensational incidents add to the furor Often overlooked are the underlying problems of child poverty social disadvantage and the pitfalls inherent to adolescent decisionmaking that contribute to youth crime From a policy standpoint adolescent offenders are caught in the crossfire between nurturance of youth and punishment of criminals between rehabilitation and get tough pronouncements In the midst of this emotional debate the National Research Council's Panel on Juvenile Crime steps forward with an authoritative review of the best available data and analysis Juvenile Crime Juvenile Justice presents recommendations for addressing the many aspects of America's youth crime problem This timely release discusses patterns and trends in crimes by children and adolescents trends revealed by arrest data victim reports and other sources youth crime within general crime and race and sex disparities The book explores desistance the probability that delinquency or criminal activities decrease with age and evaluates different approaches to predicting future crime rates Why do young people turn to delinquency Juvenile Crime Juvenile Justice presents what we know and what we urgently need to find out about contributing factors ranging from prenatal care differences in temperament and family influences to the role of peer relationships the impact of the school policies toward delinquency and the broader influences of the neighborhood and community Equally important this book examines a range of solutions Prevention and intervention efforts directed to individuals peer groups and families as well as day care school and community based initiatives Intervention within the

juvenile justice system Role of the police Processing and detention of youth offenders Transferring youths to the adult judicial system Residential placement of juveniles The book includes background on the American juvenile court system useful comparisons with the juvenile justice systems of other nations and other important information for assessing this problem

Children and Crime Connie M. Tang, 2018-08-02 *Children and Crime* offers a multidisciplinary and research based approach to the study of child maltreatment and juvenile delinquency Connie M Tang first examines children as victims of maltreatment exploring how developmental trauma and societal factors influence children's behavior and psyche Topics covered include child neglect physical abuse sexual abuse and psychological abuse Later chapters address how children come into conflict with the law and discuss gang membership and substance abuse Engaging real life case studies illustrate the intersectionality of race gender and crime as well as the role of Child Protective Services and juvenile courts In particular Tang examines how abuse and neglect can later play a role in a child's delinquency *Children and Crime* provides an innovative and accessible text for psychology social work and criminal justice courses in child abuse neglect and delinquency

Children and Crime Rob Allen, 1996 *Criminal Conversations* Judith Rowbotham, Kim Stevenson, 2005 The essays in this book set out to explore the ways in which Victorians used newspapers to identify the causes of bad behavior and its impacts and the ways in which they tried to distance criminals and those guilty of bad behavior from the ordinary members of society including identification of them as different according to race of sexual orientation It also explores how threats from within normal society were depicted and the panic that issues like baby farming caused Victorian alarm was about crimes and bad behavior which they saw as new or unique to their period but which were not new then and which in slightly different dress are still causing panic today What is striking about the essays in this collection are the ways in which they echo contemporary concerns about crime and bad behavior including panics about new types of crime This has implications for modern understandings of how society needs to understand crime demonstrating that while there are changes over time there are also important continuities BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Child Protection Laws and Crime in the Digital Era* Rawat, Romil, Sarangi, Sanjaya Kumar, Arun Raj, A. Samson, Richmond, Janet Olivia, Bhardwaj, Purvee, 2025-07-17

In the digital era the protection of children becomes complex as technology enables new forms of exploitation and abuse Online platforms social media and communication tools have created both opportunities and vulnerabilities making it easier for predators to exploit minors In response child protection laws have rapidly evolved with many countries enacting stricter regulations around digital content data privacy and the tech company responsibilities However challenges remain including jurisdiction limitations offender anonymity and the rapid speed of technological development over policy and lawmaking As cybercrimes against children rise a strong legal framework combined with global cooperation advanced digital forensics and public awareness may safeguard future children's rights and well being *Child Protection Laws and Crime in the Digital Era* explores the effects of technology on digital policy

and regulations It examines new laws related to child protection and crimes associated with the rising usage of social media and digital technology This book covers topics such as government and law criminology and childhood development and is a useful resource for policymakers government officials engineers sociologists academicians researchers and scientists

Kids Who Commit Crimes Keith Melville,Public Agenda Foundation Staff,Kettering Foundation Staff,1994-08

Children and the Criminal Law in Connecticut, 1635-1855 Nancy Hathaway Steenburg,2020-10-14 This book presents an intelligent overview into the driving forces that shaped American history in the Northeast It draws on primary documents such as farmer s diaries small rural papers of the 19th century and the publications of state agricultural societies

Conceptualizing Cruelty to Children in Nineteenth-Century England Monica Flegel,2016-05-23 Moving nimbly between literary and historical texts Monica Flegel provides a much needed interpretive framework for understanding the specific formulation of child cruelty popularized by the National Society for the Prevention of Cruelty to Children NSPCC in the late nineteenth century Flegel considers a wide range of well known and more obscure texts from the mid eighteenth century to the early twentieth including philosophical writings by Locke and Rousseau poetry by Coleridge Blake and Caroline Norton works by journalists and reformers like Henry Mayhew and Mary Carpenter and novels by Frances Trollope Charles Dickens Wilkie Collins and Arthur Morrison Taking up crucial topics such as the linking of children with animals the figure of the child performer the relationship between commerce and child endangerment and the problem of juvenile delinquency Flegel examines the emergence of child abuse as a subject of legal and social concern in England and its connection to earlier primarily literary representations of endangered children With the emergence of the NSPCC and the new crime of cruelty to children new professions and genres such as child protection and social casework supplanted literary works as the authoritative voices in the definition of social ills and their cure Flegel argues that this development had material effects on the lives of children as well as profound implications for the role of class in representations of suffering and abused children Combining nuanced close readings of individual texts with persuasive interpretations of their influences and limitations Flegel s book makes a significant contribution to the history of childhood social welfare the family and Victorian philanthropy

Sexual Aggression Against Children Jerome Blackman,Kathleen Dring,2016-01-29 In *Sexual Aggression Against Children* Pedophiles and Abusers Development Dynamics Treatability and the Law Drs Blackman and Dring use multiple psychoanalytic principles to answer Why do people sexually abuse children and Why are most abusers male They address the legal and mental health professions minimization of the horrific nature of child sexual abuse explain how to assess pedophiles treatability and discuss cases of adolescent and adult predators Also developmental analysis of sexual predation is integrated with a review of judicial decisions regarding civil commitment and punishment of abusers The authors suggest how courts evaluators and legislatures can preserve constitutional rights of sexual offenders while prioritizing protection of children

This is likewise one of the factors by obtaining the soft documents of this **Children And Criminality Children And Criminality** by online. You might not require more period to spend to go to the books introduction as skillfully as search for them. In some cases, you likewise get not discover the message Children And Criminality Children And Criminality that you are looking for. It will extremely squander the time.

However below, later you visit this web page, it will be fittingly very simple to get as competently as download lead Children And Criminality Children And Criminality

It will not admit many time as we tell before. You can realize it even though deed something else at home and even in your workplace. correspondingly easy! So, are you question? Just exercise just what we have enough money under as with ease as review **Children And Criminality Children And Criminality** what you past to read!
