Clinical Psycho Oncology An International Perspective:

Clinical Psycho-Oncology Luigi Grassi,Michelle Riba,2012-05-18 The level of psychological distress and the ability to adjust to a diagnosis of cancer are highly variable Medical factors psychological factors prior to diagnosis and social factors account for this variability By understanding these variables the clinician can better assess and manage the distress caused by the diagnosis and provide the most appropriate medical treatment or psychological intervention This practical handbook will address the principal behavioural and psychological problems associated with cancer Where appropriate it adopts a broader multicultural perspective in line with the aim of the World Psychiatric Association and the Federation of Psycho Oncology societies The main aims of the book are to present the significant and challenging clinical problems encountered when caring for cancer patients and their families including assessment diagnosis and treatment to describe the best responses to these challenges summarizing the evidence base and digesting clinical experience where evidence from clinical trials is lacking to discuss the emerging themes in psycho oncology such as genetic counselling bioethics cultural issues and cultural diversity to provide practical suggestions for dealing with special populations such as children the elderly long term survivors or mentally ill patients The book is designed to be easy to read and to reference with information clearly displayed in concise tables and boxes accompanied by further detail within the text Chapters feature clinical vignettes including management algorithms Key Points Suggested further reading The editors aim to provide an indispensable tool for junior doctors in training in either psychiatry psychology or oncology general practitioners community psychiatric nurses palliative care physicians and other members of the multidisciplinary team With a Foreword by the pioneer in psycho oncology Professor Jimmie Holland

Clinical Psycho-oncology Luigi Grassi,Michelle B. Riba,2012 This international primer on psycho oncology spans settings of care as well as regional boundaries Designed to be easy to read with information clearly displayed in concise tables and boxes accompanied by clinical vignettes the book provides clear practical guidance on all aspects of the psychological care of patients with cancer Both trainees and practitioners will find it useful in the clinic as well as a resource for continued professional development Provided by publisher

Clinical Psycho-Oncology Luigi Grassi,Michelle Riba,2012-05-18 This international primer on psycho oncology spans settings of care as well as regional boundaries Designed to be easy to read with informaton clearly displayed in concise tables and boxes accompanied by clinical vignettes the book provides clear practical guidance on all aspects of the psychological care of patients with cancer Both trainees and practitioners will find it useful in the clinic as well as a resource for continued professional development

Clinical Psycho-Oncology: Indian perspectives and research Santosh K Chaturvedi,2021-01-20 This book describes psychological and emotional aspects of cancers Psycho Oncology book discusses the Indian research and perspectives

Psycho-Oncology for the Clinician Shulamith Kreitler,2019-03-18 This volume strives to give oncologists and other medical practitioners a thorough picture of the oncology patient It s designed to show that psychological needs of the patient

are an important aspect that should be considered for optimizing the effects of cancer treatment no less than genetic immunological physiological and other medical features that are often considered as necessary components of personalized medicine Using evidence based information the book describes the different ways cancer touches upon a person's life including emotional physical and social changes important decisions and support structure It also details the phases every cancer patient encounters along the way from getting tested and waiting for the diagnosis to treatments survival and confronting one's mortality Psycho oncology for the Clinician will serve to contribute to the further scientific development of psycho oncology expands its use as a treatment modality strengthen its status as an essential component of cancer care and promote the acceptance of psycho oncology as the new evidence based constituent of personalized medicine in oncology

Psycho-Oncology Jimmie C. Holland, William S. Breitbart, Paul B. Jacobsen, Matthew J. Loscalzo, Ruth McCorkle, Phyllis N. Butow, 2015-04-02 Originally published by Oxford in 1998 Psycho Oncology was the first comprehensive text in the field and remains the gold standard today Edited by a team of leading experts in psycho oncology spearheaded by Dr Jimmie C Holland the founder of the field the text reflects the interdisciplinary nature and global reach of this growing field Thoroughly updated and developed in collaboration with the American Psychosocial Society and the International Psycho oncology Society the third edition is a current comprehensive reference for psychiatrists psychologists oncologists hospice workers and social workers seeking to understand and manage the psychological issues involved in the care of persons with cancer and the psychological social and behavioral factors that contribute to cancer risk and survival New to this edition are chapters on gender based and geriatric issues and expanded coverage of underserved populations community based programs and caregiver training and education

The Handbook of Adult Clinical Psychology Alan Carr, Muireann McNulty, 2016-03-31 The second edition of the Handbook of Adult Clinical Psychology An Evidence Based Practice Approach like its predecessor provides clinical psychologists in training with a comprehensive practice handbook to help build the skills necessary to complete a clinical placement in the field of adult mental health While practical in orientation the book is based solidly on empirical evidence Building on the success of the previous edition this handbook has been extensively revised in a number of ways Throughout the book the text references and website addresses and have been updated to reflect important developments since the publication the first edition Recent research findings on the epidemiology aetiology course outcome assessment and treatment of all psychological problems considered in this volume have been incorporated into the text Account has been taken of changes in the diagnosis and classification of psychological problems reflected in the DSM 5 Chapters on ADHD in adults emotion focused therapy radically open dialectical behaviour therapy and schema therapy have been added The book is divided into 6 sections Section 1 covers conceptual frameworks for practice lifespan development classification and epidemiology CBT psychodynamic emotion focused systemic and bio medical models and general assessment procedures Section 2 deals with mood problems depression bipolar disorder suicide risk and anger management

Section 3 focuses on anxiety problems social phobia generalized anxiety disorder panic disorder obsessive compulsive disorder post traumatic stress disorder and depersonalization disorder Section 4 deals with psychological problems linked to physical health health anxiety somatization chronic pain adjustment to cancer and eating disorders Section 5 focuses on other significant psychological problems that come to the attention of clinical psychologist in adult mental health services ADHD in adults alcohol and other drug problems psychosis and psychological problems in older adults Section 6 contains chapters on therapeutic approaches to psychological distress related to complex childhood trauma dialectical behaviour therapy for borderline personality disorder racially open dialectical behaviour for over controlled presentations and schema therapy Each of the chapters on clinical problems explains how to assess and treat the condition in an evidence based way with reference to case material Interventions from cognitive behavioural psychodynamic interpersonal systemic and biomedical approaches are described where there is evidence that they are effective for the problem in question Skill building exercises and further reading for psychologists and patients are included at the end of each chapter This book is one of a set of three volumes which cover the lion s share of the curriculum for clinical psychologists in training in the UK and Ireland The other two volumes are the Handbook of Child and Adolescent Clinical Psychology Third Edition by Alan Carr and the Handbook of Intellectual Disability and Clinical Psychology Practice Second Edition edited by Alan Carr Christine Linehan Gary O Reilly Patricia Noonan Walsh John McEvoy

Psychopharmacology in Oncology and Palliative Care
Luigi Grassi,Michelle Riba,2014-07-17 This practical manual presents the main drugs and protocols currently used in the psychopharmacological treatment of psychiatric disorders in cancer and palliative care settings and explores the principal issues involved in such treatment Significant clinical challenges encountered in the psychopharmacological management of various psychiatric conditions are discussed covering aspects such as side effects and drug drug interactions Attention is also paid to the emerging theme of adjuvant use of psychotropic drugs for the treatment of symptoms or syndromes not primarily related to psychiatric disorders In addition practical suggestions are provided for dealing with special populations including children and the elderly The book is designed to be easy to read and to reference with helpful concise tables and boxes The authors include some of the most renowned clinicians working in the field of psycho oncology Oxford Textbook of Communication in Oncology and Palliative Care David William Kissane,Barry D. Bultz,Phyllis N. Butow,Carma L. Bylund,Susie Wilkinson,2017 Communication is a core skill for medical professionals when treating patients Cancer and palliative care present some of the most challenging clinical situations This book provides evidence based guidelines alongside case examples tips and strategies to achieve effective patient centred communication

Psycho-Oncology
Thomas N. Wise,Massimo Biondi,Anna Costantini,2013-04-15 Psycho oncology integrates research and clinical wisdom across multiple disciplines including oncology psychiatry psychology surgery radiotherapy and palliative care among others in the service of educating oncologists physicians psychiatrists and other mental health care providers and hospital chaplains about

the psychological and psychosocial challenges faced by patients with neoplastic disorders As cancer treatment has improved the number of patients deemed cancer survivors has grown along with their more complex long term mental health issues This book assists care providers in meeting the challenge presented by this population Written by international experts in psycho oncology the volume offers a compact overview of the clinical elements in this field with a primary focus on the biopsychosocial aspects of individuals with cancer as well as their families and important people in their lives Its bench to bedside approach ensures that the techniques presented are evidence based practical and effective The following are among the book s many helpful features The chapters are designed to stand alone to be shared or consulted as needed but they also develop a coherent and sequential discussion about management of the patient with cancer as well as concerns involving the patient s family Thus the book as a whole serves as a comprehensive textbook in the field The book s structure is based on psychosocial staging much as the disease itself is staged and progresses from discovery to initial diagnosis treatment intervention remission and so forth Each phase has its own challenges for patient family and care provider and supportive strategies are offered Because identifying those patients in need of support and treatment intervention is critical the authors provide screening techniques as well as an entire chapter devoted to quality of life assessment to help clinicians recognize struggling patients and alleviate their distress A final chapter addresses developing trends in psycho oncology and suggests that international standards of care for the cancer patient must include competent and compassionate psychosocial assessment and treatment Concise and clinically focused yet addressing the broad issues as well Psycho oncology offers cutting edge information and invaluable assistance to physicians and mental health professionals responsible for managing patients and the families of patients with neoplastic disorders

Clinical Psycho Oncology An International Perspective Introduction

In the digital age, access to information has become easier than ever before. The ability to download Clinical Psycho Oncology An International Perspective has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Clinical Psycho Oncology An International Perspective has opened up a world of possibilities. Downloading Clinical Psycho Oncology An International Perspective provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Clinical Psycho Oncology An International Perspective has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Clinical Psycho Oncology An International Perspective. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Clinical Psycho Oncology An International Perspective. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Clinical Psycho Oncology An International Perspective, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices

have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Clinical Psycho Oncology An International Perspective has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Clinical Psycho Oncology An International Perspective Books

1. Where can I buy Clinical Psycho Oncology An International Perspective books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
