The Majestic Reading Servant of God, 2009. The Quran, The Reading, is the message of the Creator to Mankind and it confirms what passed before it and points to what is to come to Mankind and confirms the guidance sent to Father Adam, Noah, Hud, Saleh, Father Abraham, Lot, Ishmael, Isaac, Jacob aka Israel, Joseph, Shuaib, Moses, Aaron, King David, King Solomon, Imran, Zachariah, Mary, John aka Yahya, Messiah Jesus, and all other Messengers and Prophets of God. It adds nothing to Faith and Law that came in the unadulterated Torah and Bible aka Injeel. It was sent to a man called Mohammad who was illiterate, could not read or write a book, and was astray till God chose him and sent His Spirit Gabriel to turn him to the path. The revelation came down on Mohammad from the time he was chosen by God and his subsequent expulsion from Mecca and fighting and return to Mecca and the House the Sanctified in the Mosque, Church, or Synagogue, the Sanctified Kaaba, and its surroundings, and the return of all that God wished to the control of His Messenger and the believers with him. After all this, God sent down His Spirit and Angels to finalize the Quran, ensure it was written, and delivered it to Mohammad and his followers in ten nights of ONE month of Ramadan at the time of the Contention Hajj the Great to the House the Old in Jerusalem circa 628 AD. They are referred to as the nights of measure, better than a thousand months, in which all commands were decided upon by the Will of God. The Book in Arabic, which has 114 Chapters or Surahs, appeared on Earth in the 7th century A.D. and cannot be changed because God protects it. It is the statement, narration of the Holy Spirit Gabriel, highest of the Messengers of God. In it, speak to us many Messengers and also Mohammad, and there are sayings for us to follow and repeat. Wherever you see the word Say, it is an order to Mohammad to say something for us to listen, obey, understand, and follow, and repeat where needed. Similarly, many other Messengers speak to us whom we need to listen, obey, understand, and follow, and repeat where needed, and of course Gabriel, and we need to do the same for what he tells us by God's command. God Himself speaks to us in it as well; you need to figure out where. Just because the Book is in Arabic gives NO supremacy to the Arabs nor to any other race. It is for all Mankind and Demonkind, and for any who want guidance from God. I have strived to translate it as best as God lets me, and I ask God for forgiveness where God has let me err. Read for yourselves and understand for your souls; no one can guide us except with the will of God, and every soul must choose to be guided before.

God guides her The Quran can only be understood by those chosen by God Himself and it will only be understood by those who are humble to the Unseen God The English text cannot supersede the Arabic text the text in Arabic are the living Words of God and I mean Alive The Quran is a witness from God just as the Torah is a witness from God from before and soon Messiah Jesus will be a witness over us again just like we are witnesses over each other and the Angel Messengers are witnesses over us and God over everything Witnesses The time approaches for Mankind s Judgment but they wander around oblivious Those who hold the Quran today and from their mouths they utter We follow it have destroyed the fabric of its meaning and commandments and soon God will repay them fully for what they have perpetrated HBR Guides to Building Your Strategic Skills Collection (3 Books) Harvard Business Review,2020-08-04 If you aren t working with a strategy you re wasting your time Strategy isn t just a set of plans handed down from the C suite To grow as a leader you need to understand your company s strategy and align your thinking projects and team with organizational goals and vision Master these abilities with the HBR Guides to Building Your Strategic Skills Collection This three book set which includes the HBR Guide to Thinking Strategically the HBR Guide to Managing Strategic Initiatives and the HBR Guide to Setting Your Strategy will help you change the way you think about your work manage your most important priorities and craft a strategy for long term growth You ll learn how to Understand what strategy is and what it isn t Define a clear strategy whether you re in a start up or in an established business Manage a portfolio of strategic projects Embed strategic thinking into your daily tasks and decision making Align your team around key objectives Let go of work that doesn t add value Communicate strategy throughout your organization Arm yourself with the advice you need to succeed on the job with the most trusted brand in business Packed with how to essentials from leading experts the HBR Guides provide smart answers to your most pressing work challenges Saint Thomas Aquinas Collection [22 Books] Saint Thomas Aquinas,Aeterna Press, SAINT THOMAS AQUINAS COLLECTION 22 BOOKS Quality Formatting and Value Active Index Multiple Table of Contents for all Books Multiple Illustrations Thomas Aquinas O P was an Italian Dominican friar Catholic priest and Doctor of the Church He was an immensely influential philosopher theologian and jurist in the tradition of scholasticism within which he is also known as the Doctor Angelicus and the Doctor Communis The name Aquinas identifies his ancestral origins in the county of Aquino in present day Lazio where his family held land until 1137 He was the foremost classical proponent of natural theology and the father of Thomism His influence on Western thought is considerable and much of modern philosophy developed or opposed his ideas particularly in the areas of ethics natural law metaphysics and political theory Unlike many currents in the Church of the time Thomas embraced several ideas put forward by Aristotle whom he called the Philosopher and attempted to synthesize Aristotelian philosophy with the principles of Christianity The works for which he is best known are the Summa Theologiae and the Summa contra Gentiles His commentaries on Sacred Scripture and on Aristotle form an important part of his body of work Furthermore Thomas is distinguished for his eucharistic hymns which form a part of the Church s liturgy
