A Soul's Journey Rabbi Terry Bookman, 2004-12 The journey of the spirit is not marked by a smooth four lane highway. Rather like the path through a Zen garden it is curved with many switchbacks and lots of turns. While there may be many beginnings there really is no destination. Its goal is self awareness, enlightenment and inner peace. It is a journey we take with our lives. In his latest book Rabbi Terry Bookman explores the many ups and downs associated with the life of the spirit. Drawing on the ancient traditions of Judaism *A Soul's Journey* serves as a kind of roadmap for the path offering practical insights and modern applications along the way. Rabbi Bookman has been described as a wise and compassionate teacher who combines knowledge from a wide variety of disciplines and religious faiths to challenge and encourage his students and readers. He is the author of two books *The Busy Soul* and *God 101* and the co author of two CDs of contemporary Jewish music.

Begin Boldly Christie Hunter Arscott, 2009-04-01 Learn how to take the right risks for lasting success. *Begin Boldly* provides a framework for making the kind of bold moves that will get your career off to its best start. Have you ever shied away from taking a risk? Maybe you didn't apply for a job because you didn't meet 100 percent of the requirements or passed up the opportunity to take on a challenging role because you didn't feel ready. If you can relate you are not alone. Despite recognizing the benefits of making bold moves, most women, especially those early in their careers, struggle to harness the power of risk taking. *Begin Boldly* changes that. Christie Hunter Arscott equips readers to intelligently take risks using an actionable model built around three mindsets: a curious mindset, a courageous mindset and an agile mindset. With a step by step method for taking risks, assessing rewards and refining approaches, she gives women a flexible and repeatable framework to help them develop this critical career skill. *Begin Boldly* inspires women to take chances on themselves and turns risk taking into an enlightening and empowering antidote for self doubt. As Christie reminds us, the biggest risk for women is not taking any risks at all. A discussion guide is available in this book.
