Clouds of Witnesses Mark A. Noll, 2010 A Cloud of Witnesses John D. Roth, 2021-09-07 Indonesia is home to the oldest Mennonite community outside of Europe and North America Author John D Roth traces the 170 year history of Mennonites in Indonesia alongside the larger cultural and religious history of the country By placing the legacy of European colonization from the sixteenth century to national independence in 1945 beside the history of the Dutch Mennonite mission to Indonesia in the nineteenth century Roth creates a rich narrative tapestry A Cloud of Witnesses traces the emergence of the three Mennonite related groups found today in Indonesia Like all churches they have each integrated the good news of the gospel with the local culture ethnic identity religious currents and national history in a distinctive way In July 2022 these three Mennonite groups in Indonesia will collaboratively host the seventeenth global assembly of Mennonite World Conference in Semarang Java A Cloud of Witnesses helps to orient other members of the global Anabaptist Mennonite church to the history and identity of this unique group of churches while also providing practical travel tips recipes reference notes on culture and language and tourist sites making it the perfect accompaniment for those who plan to travel to Indonesia for Mennonite World Conference in the summer of 2022 Selamat dating

Persecuted Paul Marshall, Lela Gilbert, Nina Shea, 2013-03-11 Christians are the world's most widely persecuted religious group according to studies by the Pew Research Center Newsweek and the Economist among others A woman is caught with a Bible and publicly shot to death An elderly priest is abducted and never seen again Three buses full of students and teachers are struck by roadside bombs These are not casualties of a war These are Christian believers being persecuted for their faith in the twenty first century Many Americans do not understand that Christians today are victims in many parts of the world Even many Western Christians who worship and pray without fear of violent repercussions are unaware that so many followers of Christ live under governments and among people who are often openly hostile to their faith They think martyrdom became a rarity long ago Persecuted soundly refutes these assumptions This book offers a glimpse at the modern day life of Christians worldwide recounting the ongoing attacks that rarely make international headlines As Western Christians pray for the future of Christ's church it is vital that they understand a large part of the world's Christian believers live in danger Persecuted gives documented accounts of the persecution of Christians in Africa Asia the Middle East and former Soviet nations It contains vivid stories of men and women who suffer abuse because of their faith in Jesus Christ and tells of their perseverance and courage Persecuted is far more than a thorough and moving study of this global pattern of violence it is a cry for freedom and a call to action

12 Faithful Men Collin Hansen, Jeff Robinson, 2018-07-03 Most pastors know when

they enter the ministry that they will spend time helping others through times of suffering What they usually do not realize though is that they too will suffer Caught off guard many of them end up deeply hurt and quit the ministry deciding that perhaps they misunderstood God's call on their lives or that they simply do not have what it takes But church history is filled with compelling stories of men who were profoundly afflicted while they carried out their ministry and yet persevered faithfully until death Now the editors of The Gospel Coalition have collected inspiring stories of twelve faithful men who endured great suffering for the cause of Christ The stories of the apostle Paul John Calvin Charles Spurgeon John Bunyan Wang Mindao and others show that suffering in the context of ministry is expected and it's never wasted Pastors and ministry leaders as well as those who support them will find in this collection encouragement to run the race with endurance

The Globalization of Christianity Gordon L. Heath, Steven M. Studebaker, 2015-01-20 While Christianity appears to be in decline in the West it is growing robustly in the global South What does this mean for the Christianity that was once considered to be the religion of the West The new contexts and trajectories require innovative responses and relevant theological reflection in the church This volume addresses these changes through identifying and analyzing global shifts highlighting practical innovations in the church that attempt to deal with new trajectories and proposing theological positions intended to help face the issues and challenges of the twenty first century Contributors to this volume include Philip Jenkins *The Next Christendom* *The New Faces of Christianity* *God's Continent* Steven M Studebaker Gordon L Heath Bradley K Broadhead Christof Sauer Lee Beach Michael P Knowles Peter Althouse Michael Wilkinson John H Issak David K Taurus and Seongho Kang

From Every Tribe and Nation (Turning South: Christian Scholars in an Age of World Christianity) Mark A. Noll, 2014-10-14 Christianity's demographics vitality and influence have tipped markedly toward the global South and East Addressing this seismic shift one of America's leading church historians shows how studying world Christianity changed and enriched his understanding of the nature of the faith as well as of its history Mark Noll illustrates the riches awaiting anyone who gains even a preliminary understanding of the diverse histories that make up the Christian story He shows how coming to view human culture as created by God was an important gift he received from the historical study of world Christian diversity which then led him to a deeper theological understanding of Christianity itself He also offers advice to students who sense a call to a learned vocation This is the third book in the Turning South series which offers reflections by eminent Christian scholars who have turned their attention and commitments beyond North America
