CIRCLE OF FLIGHT

THE ELLIE CHRONICLES

The background of the cover is a photograph of a vast, dry, brown landscape under a pale sky. In the foreground, a person with short brown hair, wearing a teal long-sleeved shirt and blue jeans, stands with their back to the camera, leaning against a black metal fence. In the distance, another person in a red shirt is visible on a dirt path that leads into the horizon. The overall mood is one of isolation and contemplation.

Circle Flight John Marsden:

John Marsden's Circle of Flight John Marsden, 2010 You jam on the brakes and stop the ute right at your front door You jump out Not for the first time you run into a house that could be full of guns with death waiting for you You don't even think of that until you're crossing the threshold You already know what you're going to find Underneath the fear and horror and panic there's a cold realisation that Gavin's body will be somewhere in the house You can picture what those bullets will have done to his little body It is a time of profound change for Ellie Linton Enemies are everywhere Some come crawling over the hills others drive in and knock on the front door Sometimes her friends are there and sometimes they are not Ellie fights every inch of the way But when courage and imagination are not enough when she is trapped and helpless Ellie must face the end of life as she knows it standing alone sustained only by her own strength **Circle of Flight: The Ellie Chronicles 3**

to John Marsden What makes him so fascinating to me is that he approaches writing for young adults with a whole philosophy of what it means to be a teenager a philosophy that's embedded in the two schools he runs but also in his early experiences with mental illness and hospitalisation His perspective raises interesting questions about YA fiction how much darkness is allowed before you are considered a bad influence An original and moving look by award winning writer Alice Pung at one of her biggest influences the much loved and hugely successful writer John Marsden In the Writers on Writers series leading authors reflect on an Australian writer who has inspired and fascinated them Provocative and crisp these books start a fresh conversation between past and present shed new light on the craft of writing and introduce some intriguing and talented authors and their work Published by Black Inc in association with the University of Melbourne and State Library Victoria Alice Pung is an award winning writer editor teacher and lawyer based in Melbourne She is the bestselling author of Unpolished Gem and Her Father's Daughter and the editor of the anthologies Growing Up Asian in

BOOK 1 IN THE ELLIE CHRONICLES TRILOGY Addictive reading Sydney Morning Herald Australia's king of young adult fiction The Australian We were halfway up the spur when we heard it Homer and Gavin and I just the three of us I'd say there were fifteen shots in the first volley evenly spaced lasting about twenty five seconds All the way down the spur I'd heard the scattered shots getting closer as I got closer and all the way down I tried to think of reasonable explanations for them and I couldn't think of a single thing that made sense The town of Wirrawee is emerging from war slowly like a flower after a cold snap Businesses are starting to reopen the school has recommenced classes and local farmers are gradually repossessing their land But it's not the same Australia as before the war A new nation exists just a few miles away a new border that separates Australia from its invaders Or does it For Ellie Linton being back on the farm with her parents is what makes the terrible things that happened during the war the things she Homer Lee Fi and the others had to do all worthwhile It's where she belongs But the war won't let her go A devastating tragedy has shattered any hope she ever had to reclaim her life or herself It's a new kind of fight And the enemy isn't always from the other side of the border Fans of Veronica Roth Suzanne Collins and John Flanagan will love John Marsden
