

CINDERELLA ATE MY DAUGHTER

DISPATCHES
FROM THE
FRONT LINES
OF THE NEW
GIRLIE-GIRL
CULTURE

PEGGY ORENSTEIN

BESTSELLING AUTHOR OF *SCHOOLGIRLS*

Cinderella Ate My Daughter

Melissa Ames, Sarah Burcon

Cinderella Ate My Daughter:

Cinderella Ate My Daughter Peggy Orenstein, 2011-01-25 Peggy Orenstein acclaimed author of the groundbreaking New York Times bestsellers *Girls* eventually they grow out of it or do they In search of answers Peggy Orenstein visited Disneyland trolled American Girl Place and met parents of beauty pageant preschoolers tricked out like Vegas showgirls The stakes turn out to be higher than she ever imagined From premature sexualization to the risk of depression to rising rates of narcissism the potential negative impact of this new girlie girl culture is undeniable yet armed with awareness and recognition parents can effectively counterbalance its influence in their daughters lives *Cinderella Ate My Daughter* ,

Cinderella Ate My Daughter: Dispatches From the Front Lines of the New Girlie-girl Culture Peggy Orenstein, 2011

How Pop Culture Shapes the Stages of a Woman's Life Melissa Ames, Sarah Burcon, 2016-03-15 Contemporary popular culture has created a slew of stereotypical roles for girls and women to willingly or not play throughout their lives The Princess the Nymphet the Diva the Single Girl the Bridezilla the Tiger Mother the MILF the Cougar and more In this book Ames and Burcon investigate the role of cultural texts in gender socialization at specific pre scripted stages of a woman's life from girls to the golden girls and how that instruction compounds over time By studying various texts toys magazines blogs tweets television shows Hollywood films novels and self help books they argue that popular culture exists as a type of funhouse mirror constantly distorting the real world conditions that exist for women magnifying the gendered expectations they face Despite the many problematic conflicting messages women receive throughout their lives this book also showcases the ways such messages are resisted allowing women to move past the blurry reality they broadcast and toward hopefully gender equality

Your Dieting Daughter Carolyn Costin, 2013 *Your Dieting Daughter* is a must read for anyone wanting to help contribute to a young woman's development of a healthy self and body esteem whether she is 13 or 30 Costin has updated the first edition of this book to reflect her 15 additional years of expertise on dealing with the tricky issues of body image food and weight in a culture that places an unhealthy emphasis on being thin From aiding a young girl to lose weight for health reasons to encouraging a young woman to accept her natural body size to helping detect prevent and understand eating disorders this second edition is full of practical and invaluable information Chapters guide parents in the Do's and Don'ts that will help a daughter to accept respect and care for her body Readers will learn the importance of setting a good example and the critical need to take the focus from numbers and measurements such as scale weight clothing size miles run or sit ups accomplished to important goals like health body acceptance and finding physical activity to enjoy Whether you are interested in being a good role model for your daughter helping girls and women who are currently suffering from an eating disorder or body image issues or raising the next generation of girls to value the size of their heart over their body size this is a book not to be missed

Dreaming Culture J. Mageo, 2011-11-07 Dreams seem the most private territory of experience Yet *Dreaming Culture* argues they are a space in which we practice consider question and adapt cultural models of the self

gender sexuality relationships and agency Through an innovative dream ethnography from college students in the northwestern U S this book contributes to recent research on dreaming and the brain in psychology and continuing research on dreaming and the self in clinical psychology and psychological anthropology Dreaming Culture uses critical theory to understand power relations embedded in cultural models a perspective often lacking in cognitive anthropology and in psychological studies of self and mind *It's OK to Go Up the Slide* Heather Shumaker, 2016-03-08 When it comes to parenting sometimes you have to trust your gut With her first book It s OK Not to Share Heather Shumaker overturned all the conventional rules of parenting with her renegade rules for raising competent and compassionate kids In It s Ok To Go Up the Slide Shumaker takes on new hot button issues with renegade rules such as Recess Is A Right It s Ok Not To Kiss Grandma Ban Homework in Elementary School Safety Second Don t Force Participation Shumaker also offers broader guidance on how parents can control their own fears and move from an overscheduled life to one of more free play Parenting can too often be reduced to shuttling kids between enrichment classes but Shumaker challenges parents to reevaluate how they re spending their precious family time This book helps parents help their kids develop important life skills in an age appropriate way Most important parents must model these skills whether it s technology use confronting conflict or coping emotionally with setbacks Sometimes being a good parent means breaking all the rules Monstrous Mothers: Troubling Tropes Andrea O'Reilly, Abigail L. Palko, 2021-08-01 Motherhood is one of those roles that assumes an almost outsized cultural importance in the significance we force it to bear It becomes both the source of and the repository for all kinds of cultural fears Its ubiquity perhaps makes it this perfect foil After all while not everyone will become a mother everyone has a mother When we force motherhood to bear the terrors of what it means to be human we inflict trauma upon those who mother A long tradition of bad mothers thus shapes contemporary mothering practices and the way we view them including the murderous Medea of Greek mythology the power hungry Queen Gertrude of Hamlet and the emasculating mother of Freud s theories Certainly there are mother who cause harm inflict abuse act monstrously Mothers are human But mothers are also a favourite and easy scapegoat The contributors to this collection explore a multitude of interdisciplinary representations of mothers that through their very depictions of bad mothering challenge the tropes of monstrous mothering that we lean on revealing in the process why we turn to them Chapters in Monstrous Mothers Troubling Tropes explore literary cinematic and real life monstrous mothers seeking to uncover social sources and results of these monstrosities

Spectacular Girls Sarah Projansky, 2014-02-07 Winner of the 2015 Bonnie Ritter Book Award from the National Communication Association As an omnipresent figure of the media landscape girls are spectacles They are ubiquitous visual objects on display at which we are incessantly invited to look Investigating our cultural obsession with both everyday and high profile celebrity girls Sarah Projansky uses a queer anti racist feminist approach to explore the diversity of girlhoods in contemporary popular culture The book addresses two key themes simultaneous adoration and disdain for girls and the

pervasiveness of whiteness and heteronormativity While acknowledging this context Projansky pushes past the dichotomy of the can do girl who has the world at her feet and the troubled girl who needs protection and regulation to focus on the variety of alternative figures who appear in media culture including queer girls girls of color feminist girls active girls and sexual girls all of whom are present if we choose to look for them Drawing on examples across film television mass market magazines and newspapers live sports TV and the Internet Projansky combines empirical analysis with careful creative feminist analysis intent on centering alternative girls She undermines the pervasive moral panic argument that blames media itself for putting girls at risk by engaging multiple methodologies including for example an ethnographic study of young girls who themselves critique media Arguing that feminist media studies needs to understand the spectacularization of girlhood more fully she places active alternative girlhoods right in the heart of popular media culture

Female Heroes in Young Adult Fantasy Fiction Leah Phillips, 2023-01-26 The heroic romance is one of the West's most enduring narratives found everywhere from religion and myth to blockbuster films and young adult literature Within this story adolescent girls are not and cannot be the heroes They are at best the hero's bride a prize he wins for slaying monsters Crucially although the girl's exclusion from heroic selfhood affects all girls it does not do so equally whiteness and able bodiedness are taken as markers of heightened fantasy femininity Female Heroes in Young Adult Fantasy Fiction explores how the young female heroes of mythopoeic YA a Tolkienian inspired genre drawing on myth's world creating power and YA's liminal potential disrupt the conventional heroic narrative These heroes such as Tamora Pierce's Alanna the Lioness Daine the Wildmage and Marissa Meyer's Cinder and Iko offer a model of being hero an embodied way of living and being in this world that disrupts the typical hero's violent hierarchy isolating individuality and erasure of difference In doing so they push the boundaries of what it means to be a hero a girl and even human
