AHMED,2023-05-25 Summary of this story In a small village Cinderella's unwavering faith in the power of dreams and wishes takes her on an amazing journey Even though her stepmother and stepsisters are cruel Cinderella holds on to hope and finds comfort in her dreams When word of a grand ball comes to the village Cinderella wants to go but her stepmother says she can't Cinderella arrives at the ball and charms everyone including Prince Charming With a wave of her wand the fairy godmother appears and changes Cinderella's rags into a beautiful gown and her worn out shoes into delicate glass slippers The fairy godmother warns Cinderella that the magic will only last until midnight Cinderella's glass slipper falls off as the night goes on and she leaves it behind as she runs away from the palace Despite this setback Cinderella continues to believe in the power of dreams and wishes When Prince Charming hears about the mysterious girl who captured his heart he sets out to find the owner of the lost glass slipper Cinderella continues on her trip telling her story and encouraging others to follow their dreams Months later fate brings Cinderella and Prince Charming back together and they use their power to encourage dreamers and create a society that supports goals Cinderella and Prince Charming's rule turns the kingdom into a haven for dreamers and innovators inspiring people to believe in their own extraordinary potential Cinderella's unwavering belief in dreams changes not only her own life but also the lives of many others showing that dreams have the power to change destinies and create a world full of hope possibility and magic How the story started Once upon a time a young girl named Cinderella lived in a quiet town hidden among hills The buildings in the town were cute and the streets were made of cobblestones and wound around each other It looked like it was always there as if it lived on its own world The story of Cinderella began in this beautiful town Cinderella was different from the other country girls She seemed to shine from the inside out with every step she took Her golden curls fell like a waterfall down her back framing her lovely face and eyes But what really set Cinderella apart was her kind and loving heart Even though she was having a hard time she treated everyone she met with love and kindness Her stepmother and stepsisters kept a close eye on her while she went about her daily tasks

In sharp contrast to her kind nature they treated Cinderella badly and gave her a lot of work Cinderella on the other hand didn't give up She found comfort in the village's simple beauty and the dreams that danced in her heart Cinderella's dreams were a safe place for her a place where she could get away from her hard life She would often sneak away early in the morning or late at night to a secret spot by the babbling brook in the town She would close her eyes and let her mind wander there where nature was quiet and peaceful In her dreams Cinderella could be anything she wished She might go to different parts of the world meet amazing animals and find true love As Cinderella got older her belief in the power of dreams grew She saw that her dreams were the fires that kept her going and gave her the strength to keep going They were her beacon showing her the way even when things were darkest Cinderella thought that her dreams were more than just lies She thought that they were whispers from her heart that could change her future Even though no one in the hamlet knew about Cinderella's hopes the natural beauty around her seemed to reflect the magic she felt inside The bright petals of the flowers that grew in the fields seemed to welcome her as if they were acknowledging her strength The birds would sing to her in a way that made her feel like they were singing about the dreams that were dancing in her soul Cinderella's presence in the town was like a gentle breeze that brought comfort and happiness to everyone who met her She had a way of making people feel like they were seen and heard and she was always kind and caring to those who were struggling People were inspired by her belief in the power of dreams to reach their own goals and live a full meaningful life Cinderella didn't know that her unwavering belief in dreams would lead her to a future even better than she could have imagined Her story was a timeless one full of hope strength and the great power that comes from believing that dreams and wishes can come true Cinderella had a heart full of hope and a strong belief in the power of her dreams and desires even though she had been through a lot of hard times and her stepmother and stepsisters were mean to her Her childhood was full of stories about magic and wonder These stories took her to places where dreams could come true Since she was a child she loved stories about brave princesses animals that could talk and kind fairy godmothers Based on these stories she thought that dreams were the key to a world of possibilities where anything was possible if you were brave enough to think about it Cinderella's stepmother and stepsisters were mean to her They gave her a lot of work to do and made her feel like a worker in her own home Even though they tried to kill Cinderella's spirit she stuck to her belief that goals and desires can change the world She found comfort in the stories she had heard as a child Stories about overcoming hardship and the hope of a better future gave her strength Every time Cinderella swept or cleaned the floors she would drift off into her own world of dreams She pictured herself as the princess in the tower waiting for her prince to come and save her from a hard life Or she would imagine herself as the hero who fought bravely against all odds won and made life better for herself and the people she cared about Cinderella got the strength to deal with her problems and the hope that one day her dreams will help her get what she wants Her belief in the power of dreams was more than just a way to escape reality It was a lighthouse of hope that gave her the strength to

keep going Cinderella understood that her dreams were more than just make believe they could change her real life She thought that by letting herself dream she was making the world work in her favor and making it easier for her to achieve her biggest goals In the quiet of her room where there was only one light Cinderella would close her eyes and let her thoughts wander She dreamed of a life filled with love fun and the freedom to be herself She thought that dreams were her heart's words telling her to rise above the limits of her surroundings and reach for the stars Cinderella's guide in times of trouble was her unwavering belief in the power of hopes and dreams It gave her the strength to rise above cruel people and find happiness in the smallest things Even on the worst nights she thought that her dreams could make her life into a fairy tale Cinderella had no idea that her unwavering belief in her dreams and wishes would lead her to a future that was better than anything she could have dreamed of With the help of a kind fairy godmother and the magic of a big ball her dreams would come true right in front of her eyes The story of Cinderella shows kids and adults alike that dreams aren't just silly wishes but can be strong forces for change It encourages us to keep working on our dreams no matter what and to think that they can change our lives Cinderella's unwavering belief in the amazing possibilities that exist in the world of dreams and wishes has been a source of inspiration for generations It reminds us that if we dare to dream we can do the impossible Cinderella went to her simple home to get away from the hard things that happened to her every day For a short time the weight of her responsibilities and the constant demands on her shoulders went away as she enjoyed the power of her thoughts She would close her eyes and let her mind wander to other places even though she lived in a poor area Cinderella escaped her everyday life and went on great adventures when she had a few minutes to herself She closed her eyes and imagined herself as a brave traveler who traveled to faraway places with rich cultures and beautiful landscapes In her dreams she climbed beautiful mountains went through thick jungles she couldn't get out of and sailed over huge seas She saw the wonders of the world beyond her small town In these dreams Cinderella's spirit soars freed from the limits of her position Cinderella's dreamy mind was caught by more than just the allure of adventure She also liked the magic of making friends with talking animals who were smart kind and had their own unique views on life Cinderella's dreams were filled with deep conversations with wise old owls cute rabbits and interesting birds These ties went beyond language barriers She learned from their natural knowledge and found comfort in their steady presence Cinderella felt a need for love understanding and connection as she listened to exciting stories about adventure and animal friends In her dreams she thought about a love that went beyond the limits of society a love that looked beyond money and saw the beauty of the soul Cinderella thought that her dreams would lead her to this mysterious love a love that would change her life and make her happy When the world was quiet Cinderella would let her dreams come true Each one was a flickering light of hope that kept her spirit alive She liked the fact that the magic in her dreams could take her out of the ordinary and give her a sense of wonder about her life Cinderella used her mind to make a place that was her safe haven where the lines between reality and fantasy blurred and she could be the

truest version of herself Cinderella was able to keep going through hard times because she never lost faith in the magic that dreams had Her dreams became a lighthouse that led her through the darkest times and gave her the strength to keep going They reminded her that there was more to life and that her dreams could become real in ways that were very different from her present situation When the winds of fate started to change Cinderella s unwavering belief in the magic of dreams would be put to the final test When an invitation to the big royal ball came it set off a chain of events that would show how strong her hopes and dreams really were Cinderella would learn that the magic in her dreams could change her life in ways she never could have imagined She would learn this with each step she took toward achieving her goals When the invitation to the grand royal ball arrived Cinderella s heart raced with joy It was a time that held the promise of a dream coming true a chance for her to leave behind the limits of her everyday life and step into a world of beauty and magic She grabbed the invitation with shaky hands The thought that her dreams were about to come truly made her heart beat faster In the days before Cinderella went to the ball there was a lot going on in her humble home Her stepsisters did their hair and makeup and bought lots of clothes and diamonds for themselves There was a lot of energy and anticipation in the air but Cinderella stayed firm in her belief that dreams have their own kind of magic As the sun went down the night before the ball Cinderella went to her room where her heart was racing with nervous joy She closed her eyes her mind racing with dreams of dancing under glittering lights and spinning in the arms of a prince who could look past her rags and see her beauty In that quiet moment she screamed her deepest wishes into the night sky She knew with all of her being that her dreams would come true When Cinderella opened her eyes the room was filled with a soft glow Her fairy godmother stood in front of her wrapped in a cloak of heavenly light With a kind smile the fairy godmother told Cinderella that her dreams were about to come true She used her power to turn Cinderella s torn clothes into a gorgeous dress that was full of grace and beauty Her worn out shoes turned into beautiful glass slippers and every step she took made the music of her dreams come back to her **Current**
