Citibank National Association:

Interpretations and Actions United States. Office of the Comptroller of the Currency, United States. Office of the Comptroller of the Currency. Multinational Banking Division, 1998 *Annual Report* United States. Office of the Comptroller of the Currency, 1976 Genealogy of American Finance Robert E. Wright, Richard Sylla, 2015-03-17 In this unique well illustrated book readers learn how fifty financial corporations came to dominate the U S banking system and their impact on the nation's political social and economic growth A story that spans more than two centuries of war crisis and opportunity this account reminds readers that American banking was never a fixed enterprise but has evolved in tandem with the country More than 225 years have passed since Alexander Hamilton created one of the nation's first commercial banks Over time these institutions have changed hands names and locations reflecting a wave of mergers acquisitions and other restructuring efforts that echo changes in American finance Some names such as Bank of America and Wells Fargo will be familiar to readers The origins of others including Zions Bancorporation founded by Brigham Young and owned by the Mormon Church until 1960 are surprising Exploring why some banks failed and others thrived this book wonders in light of the 2008 financial crisis whether recent consolidations have reached or even exceeded economically rational limits A key text for navigating the complex terrain of American finance this volume draws a fascinating family tree for projecting the financial future of a nation
