

IMPORTANT NOTE:

The analog finger hour and minute hand and the hour hand cannot be set independently of the digital time and so the digital time must be set first in order to set analog time.

ALL RESET

- Press and release M button to move mode indicator hand to CAL. Move city code.
- Pull M out.
- Hold A, B and C down simultaneously for 3 seconds, then release them. All digital segments will be highlighted.
- Press and release B to reset all segments to zero and display UTC.
- Hold A down to align the UTC hour and minute hand to 24:00.
- Press and release B to display HR (hours).
- Hold A down to align the 24 segment hour hand to 24:00.
- Press and release B to display MIN (minutes).
- Hold A down to align minute hand to zero.
- Press in M to finalize zero positioning. Watch will begin confirming all reset and zero positioning.

TO SET TIME:

- Press and hold B button down for 3 seconds. Hour and minute hands will retract to the 12 o'clock position. This will permit an unobstructed view of the digital displays, during setting procedures. (After digital time is set, press B button to release hand retraction).
- Press and release M button to move mode indicator hand to time (TIME) then set city code for zone representing your location.
- Press and release A button to change city code eastward and C button to move westward.
- When city code has been selected, pull M button out. Hour, minute and second figures will all flash.
- Press and release C button to select daylight or standard time (summer indicators displayed) hour hand will move accordingly.
- Press and release A button, seconds will flash. Press seconds by using C button.
- Press and release A button, minutes will flash. Use C button to advance minutes. For fast advance, hold C button down.
- Press and release A button, hours will flash. Use C button to advance hours.
- Push in, or pull.
- Press and release A button, 12:01 or 24:01 will flash. Use C button to select A.M./P.M. time (only on military time 24:00).
- Press M button to finalize setting of digital time. All other times are adjusted automatically when one city is set to correct time, including the UTC analog display.
- Press B button to release hand retraction, hands will move to previously set time.
- After you have set digital time and released the retraction, if you want analog (hands) time to indicate the time in your time (city) code, press buttons A and C simultaneously. The digital time (your time zone) will be switched to the analog display and vice versa. City code and digital time can now be changed to your zone by using A button (eastward) or C button (westward). Once analog and digital time match.
- If you want a time zone different than that shown on the digital display, to be shown by the analog (hands), move the digital time to the desired zone and repeat the switching function.

TO SET CALENDAR:

- Use the M button, move the mode indicator hand to CAL. Move city code, if needed; use A button to move city code eastward and C button to move westward.
- Pull M button out to setting position, month number will flash. Correct month by using C button.
- Press and release A button, date will flash. Correct date by using C button.
- Press and release A button, year will flash. Use C button to correct year.
- Press M button to finalize calendar setting. Year will disappear and day will be shown in its place.

TO SET ALARMS:

- Use the M button to move the mode indicator to AL-1. Use A or C button to select city code.
- Pull mode button out to setting position, display alarm. Use C button to set alarm on or off.
- Press and release A button, hours will flash. Correct hours with C button.
- Press and release A button, minutes will flash. Correct minutes with C button.
- Press M button to finalize alarm setting.
- Alarm 1 and 2 are set in the same way as alarm 1. When alarm sounds, press any button to stop sounding.

USING THE CHRONOGRAPH:

- Use M button to move mode indicator to CH.
- Press and release A button to start or stop time measurement.
- While chronograph is running, press C button for split times. Display now shows elapsed time for 10 seconds while continuing to measure elapsed time internally. After 10 seconds, display picks up counting at the time elapsed time and continues running until C button is pressed for split time again or A button is pressed to stop.
- After chronograph is stopped, press C button to reset to zero.

Citizen Navihawk Instruction Manual Introduction

In the digital age, access to information has become easier than ever before. The ability to download Citizen Navihawk Instruction Manual has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Citizen Navihawk Instruction Manual has opened up a world of possibilities. Downloading Citizen Navihawk Instruction Manual provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Citizen Navihawk Instruction Manual has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Citizen Navihawk Instruction Manual. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Citizen Navihawk Instruction Manual. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Citizen Navihawk Instruction Manual, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in

unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Citizen Navihawk Instruction Manual has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
