De Zintuigen Van Mens En Dier:

Doe waar je goed in bent, 3/e Leo van der Burg, 2006 Beschrijving van de verschillende lagen in de persoonlijkheid en de daarbij behorende opleidingsmogelijkheden met betrekking tot functies in een organisatie *Bibliotheekleven*, 1962 *De School. Shipwrecks on Cape Cod Isaac M. Small, 2006-01-01 I hardly know whether to call this a preface or part of the story it seems rather too long for the former and too short for a chapter of the latter but I may as well follow the general rule and call it a preface Friends have often said to me Why don t you write some stories concerning shipwrecks which have occurred on Cape Cod Perhaps one of the strongest reasons why I have not done so is because to describe all of the sad disasters which have come under my observation during my more than half a century of service as Marine Reporting Agent at Highland Light Cape Cod would make a book too bulky to be interesting and a second reason has been the difficulty of selecting such instances as would be of the greatest interest to the general reader But out of the hundreds of shipwrecks which have become a part of the folk lore and history of this storm beaten coast I have finally decided to tell something of the circumstances connected with the loss of life and property in a few of the more prominent cases The descriptions herein written are only just unvarnished tales couched in such language that even the children may understand and in order that there may be a clear understanding of how I came to be in close touch with the events of which I write it is perhaps necessary to state briefly a few facts concerning my life work here So far back as 1853 the merchants of Boston desiring to obtain rapid and frequent reports concerning the movements of their ships along the coast of Cape Cod were instrumental in causing the construction of a telegraph line from Boston to the end of Cape Cod and a station was established on the bluffs of the Cape at Highland Light this station was equipped with signal flags books and a powerful telescope and an operator placed in charge whose duty it was to watch the sea from daybreak until sunset and so far as possible obtain the names of or a description of every passing ship This information was immediately transmitted over the wires to the rooms of the Chamber of Commerce where it was at once spread upon their books for the information of their subscribers When the boys in blue were marching away to southern battlefields at the beginning of the Civil War in 1861 I began the work of Marine Reporting Agent and now on the threshold of 1928 I am still watching the ships A fair sized volume might be written concerning the changes which have taken place in fifty years as to class of vessels and methods of transportation but that is not what I started to write about My duties begin as soon as it is light enough to distinguish the rig of a vessel two miles distant from the land and my day s work is finished when the sun sinks below the western horizon Every half hour through every day of the year we stand ready to answer the call at the Boston office and report to them by telegraph every item of marine intelligence which has come under our observation during the previous half hour With our telescope we can in clear weather make out the names of vessels when four miles away When a shipwreck occurs either at night or during the day we are

expected to forward promptly to the city office every detail of the disaster If the few stories herein told serve to interest our friends who tarry with us for a while in the summer then the object of the writer will have been attained **Teysmannia**,1907 *Twyfelaars wat Glo* Hans Ester,2019-08-27 Hans Ester en Chris van der Merwe het albei A lang loopbaan as letterkundiges agter die rug die een in Suid Afrika die ander in Nederland Albei is ook toegewyde Christene In 2013 begin hierdie twee vriende aan mekaar skryf oor lewensvrae wat voortspruit uit hul gedeelde hartstog vir die Bybel en die letterkunde Aktuele temas kom aan bod soos e Tussen wanhoop en hoope e Om Isak te offere en e Bybel diskussie lees en herleese Geen tema word egter uitgeput nie die tweegesprek prikkel die leser tot verdere nadenke **Handboek voor den Nederlandschen landbouw en de veeteelt** Geert Reinders,1895 VKI ,1974 Keur Uit de Geschiedenis Van Engeland, Ingerigt Ten Gebruike Van Gymnasien en Instituten en Tot Zelfoefening Thomas Babington Macaulay Macaulay,1853
