Please note This is a companion version not the original book Sample Book Insights 1 The Clintons have become exceedingly wealthy thanks to the millions of dollars they have collected from foreign entities While there is debate about whether or not these transactions should be limited there is near universal agreement that they should be played by Americans only 2 The best way to investigate whether a politician is doing favors for a major campaign contributor is to look at their behavior patterns If investigators find that the timing of major campaign contributions occurs immediately before the politician makes a highly favorable decision for the donor this would be highly suspicious 3 I am focusing on the financial dealings of the Clintons specifically because they are such a unique couple No other ex politician has been able to accumulate such a large amount of money in such a short period of time 4 Bill s speechmaking does not happen in a vacuum It is part of a larger pattern of activity that has never before been exposed to public scrutiny During Hillary s years of public service the Clintons have conducted or facilitated hundreds of large transactions with foreign governments corporations and private financiers

Clinton Cash: A Graphic Novel ,2016-08-08 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country [Clinton Cash](#) Peter Schweizer,2015-05-05 Most people assume that the Clintons amassed their considerable wealth through lucrative book deals and speaking gigs that sometimes paid as much as 500 000 750 000 But who paid these fees and why Often foreign businessmen and governments made the enormous payments believing the Clintons would help advance their interests As Peter Schweizer reveals the Clintons typically blur the lines between politics philanthropy and business Consider the following Bill flies into a third world country where he spends

time in the company of a businessman described as a close personal friend Introductions are made A deal is struck usually to exploit natural resources such as uranium oil or timber on a large and highly profitable scale Soon after that enormous contributions are made to the Clinton Foundation from those who benefited from the deal while Bill is commissioned to deliver a series of highly paid speeches Moreover some of these deals require approval or review by the US government and fall within the purview of a powerful senator and secretary of state This scenario plays out again and again in Kazakhstan Colombia and other places at the Wild West fringe of the global economy Often the people involved are characters of a kind that an American ex president not to mention the spouse of a sitting senator secretary of state or presidential candidate should have nothing to do with In this blockbuster expos Schweizer reveals the mysterious multimillion dollar Foundation gift from an obscure Indian politician that coincided with Senator Clinton s reversal on the nuclear non proliferation treaty how Secretary of State Clinton was involved in allowing the transfer of nearly 50 percent of US domestic uranium output to the Russian government benefiting large donors to the Clinton Foundation how multimillion dollar contracts for Haiti disaster relief were awarded to donors and friends of Hillary and Bill how Bill received large payments for speeches from foreign businesses and governments with matters pending before the State Department how the Clintons joint visit to Colombia was followed by the grant of lucrative logging rights to a Canadian billionaire a top Clinton Foundation donor how Bill received 2 million for speeches from the largest shareholder in the Keystone Pipeline project even as Hillary played a role in approving it Meticulously researched and scrupulously sourced Clinton Cash raises serious and alarming questions of judgment of possible indebtedness to an array of foreign interests and ultimately of fitness for high public office *Summary of Clinton Cash* Instaread,2016-07-15 Summary of Clinton Cash by Peter Schweizer Includes Analysis Preview Peter Schweizer s Clinton Cash The Untold Story of How and Why Foreign Governments and Businesses Helped Make Bill and Hillary Rich is an expos of the business dealings of Bill and Hillary Clinton between 2001 and 2015 The Clintons and their foundation have both been enriched by money from dubious sources The payments the Clintons received as speaking fees and the funds they accepted as donations to the Clinton Foundation may have led Hillary to alter US policy when she served as senator and secretary of state This pattern of possible corruption should be investigated by law enforcement Bill was governor of Arkansas from 1978 to 1981 and from 1983 to 1992 While Arkansas governor he and his wife were involved in suspicious financial and real estate dealings involving the Whitewater corporation in a foreshadowing of later ethical questions Others connected to the deal were prosecuted and convicted but no charges were ever brought against the Clintons PLEASE NOTE This is key takeaways and analysis of the book and NOT the original book Inside this Instaread Summary of Clinton Cash Overview of the Book Important People Key Takeaways Analysis of Key Takeaways About the Author With Instaread you can get the key takeaways summary and analysis of a book in 15 minutes We read every chapter identify the key takeaways and analyze them for your convenience **The Destruction of Hillary Clinton** Susan Bordo,2018-01-09 If you want to

understand not only what happened in 2016 but what's going to happen tomorrow this book is essential reading Susan Bordo brings a scholar's rigor and a lioness heart to this important work Paul Begala Among the best books I've read on the 2016 election the perfect companion to Clinton's What Happened Peter Daou NOW WITH A NEW AFTERWORD The Destruction of Hillary Clinton is an answer to the question many have been asking How did an extraordinarily well qualified experienced and admired candidate whose victory would have been as historic as Barack Obama's come to be seen as a tool of the establishment a chronic liar and a talentless politician In this masterful narrative of the 2016 campaign year and the events that led up to it Susan Bordo unpacks the Rights assault on Clinton and her reputation the way the left provoked suspicion and indifference among the youth vote the inescapable presence of James Comey questions about Russian influence and the media's malpractice in covering the candidate Urgent insightful and engrossing The Destruction of Hillary Clinton is an essential guide to understanding the most controversial presidential election in American history MacClinton Sam Griffith, 2016-04-01 MacClinton a modern tale of Bill Clinton's political career told in the format of Shakespeare's Macbeth This amusing drama is fleshed out with notes that detail Clinton's scandals and cover ups After reading it you'll want to examine the character and actions of political candidates before voting for or against them *Fallout* John Solomon, Seamus Bruner, 2020-07-14 This book is a MUST BUY President Donald J Trump The Russia and Ukraine scandals are unraveled corruption and greed exposed No one is better at uncovering the truth than these two investigative journalists Gregg Jarrett FOX News legal analyst and author of the 1 NYT bestsellers The Russia Hoax and Witch Hunt An exhaustively researched book that reads like an investigative thriller Fallout reveals how Obama's Russian Reset led to corruption scandal and a desperate bid to impeach Donald Trump In 2015 a major story broke exposing Hillary Clinton's role in approving the sale of American uranium assets to the Russian state nuclear agency Rosatom Not only did the sale of Uranium One put 20 percent of America's domestic uranium supply under the control of Vladimir Putin there was also evidence that the Clintons themselves had hugely profited from the deal When presidential candidate Donald Trump made Uranium One the centerpiece of his Crooked Hillary attacks the Clinton team feared its potential to damage Hillary's campaign Others in the Obama Biden camp worried that if elected Trump would expose their role in selling out America's security to Putin Their desperate need to neutralize the issue led them to launch an unprecedented investigation into the Trump campaign's purported ties to Russia The infamous Steele dossier produced by Clinton connected Fusion GPS sparked an investigation under FBI Director James Comey Instead of ending after the election the investigation grew bigger eventually leading to Comey's firing and the appointment of Special Counsel Robert Mueller When Mueller failed to find grounds for impeachment Democrats seized on an ambiguous phone call with the Ukrainian president as a pretext to remove Trump from office This gambit blew up in their faces when it exposed the secrets that Democrats tried hard to keep buried An indispensable guide to the hidden background of recent events Fallout shows how Putin's bid for nuclear dominance produced a series of political scandals that ultimately

posed one of the greatest threats to our democracy in modern American history **Compromised** Seamus Bruner,2018-08-16 If you ask most Americans what they think about the FBI they would tell you it s far and away the government agency they trust the most The Bureau has for decades sold an image of itself as efficient professional unbiased and untouchable by corruption That portrait is a sham Seamus Bruner and the Government Accountability Institute have spent years cataloging the widespread conflict of interests of the D C political class They have found massive self enrichment and political bias at the highest levels of government including the Justice Department and the FBI Indeed the nation s most important law enforcement agency has become so compromised that every major investigation should face intense scrutiny from the public the media and from Congress James Comey Robert Mueller Andrew McCabe and the rest of the recent FBI leadership should be forced to answer for the way the Bureau has abused the public trust under their watch **Crackup** Samuel L. Popkin,2021-04-19 Samuel L Popkin applies his extensive experience with presidents and presidential campaigns to provide a lively extensively researched story of the contemporary Republican Party He shows how reforms intended to take corporate money out of political parties ended up crippling party leadership rendering them unable to cope with a new political landscape In their stead the machinations of billionaires pursuing pet issues and purity for profit activists thrived As Popkin lays bare party rebels such as Ted Cruz exploited these forces to block immigration and healthcare reform opening the door for Trump s election
