Second Death of E.A. Poe and Other Stories Jack Matthews, 2021-11-15 Did Edgar Allen Poe fake his death That's what a Baltimore doctor needs to figure out in the title tale for this 11th story collection by Jack Matthews As one critic wrote Matthews stories are like friends from small towns They are honest warm occasionally lyrical and as strange and idiosyncratic as the rest of us Characters face all kinds of improbable situations in this collection A US army battalion finds itself locked in an absurd stalemate with German troops at the end of World War Two A second string college football player inexplicably receives an athletic prize A middle aged man discovers that random women around his neighborhood are walking around nude A man witnesses a car falling out of the sky into a supermarket parking lot A book collector and his wife concoct a mad plan to outbid a mysterious competitor for a 17th century manuscript In the novella sized title story Edgar Allen Poe's doctor investigates the mystery of Poe's disappearance from his deathbed and the very real possibility that Poe or someone purporting to be him has fled to Louisiana and been sending enigmatic clues As author of several novels set in 19th century America *Gambler's Nephew Sassafras and Soldier Boys* Jack Matthews 1925 2013 writes about early America with gusto and insight In contrast to previous story collections which lean more to the cerebral or poetic the Matthews stories collected here are down to earth yarns gently satirical and reminiscent of John Cheever's fiction Most are like pleasant strolls through Midwestern neighborhoods glimpsing random people at backyard parties cafes and parking lots
