Clueless George is Watching You! Pat Bagley, 2006 *The Hero and the Perennial Journey Home in American Film* Susan Mackey-Kallis, 2010-08-03 In contemporary America myths find expression primarily in film What's more many of the highest grossing American movies of the past several decades have been rooted in one of the most fundamental mythic narratives the hero quest Why is the hero quest so persistently renewed and retold In what ways does this universal myth manifest itself in American cinema And what is the significance of the popularity of these modern myths The Hero and the Perennial Journey Home in American Film by Susan Mackey Kallis is an exploration of the appeal of films that recreate and reinterpret this mythic structure She closely analyzes such films as E T the Star Wars trilogy It's a Wonderful Life The Wizard of Oz The Lion King Field of Dreams The Piano Thelma and Louise and 2001 A Space Odyssey Elements of the quest mythology made popular by Joseph Campbell Homer's Odyssey the perennial philosophy of Aldous Huxley and Jungian psychology all contribute to the compelling interpretive framework in which Mackey Kallis crafts her study She argues that the purpose of the hero quest is not limited to the discovery of some boon or Holy Grail but also involves finding oneself and finding a home in the universe The home that is sought is simultaneously the literal home from which the hero sets out and the terminus of the personal growth he or she undergoes during the journey back Thus the quest Mackey Kallis asserts is an outward journey into the world of action and events which eventually requires a journey inward if the hero is to grow and ultimately necessitates a journey homeward if the hero is to understand the grail and share it with the culture at large Finally she examines the value of mythic criticism and addresses questions about myth currently being debated in the field of communication studies **Gunplay: Beauty Redeemed** William David, 2012-03-06 Neurosurgeon Arthur Anderson helps cognitively disabled people live normally Ever the humanitarian he makes available at cost his revolutionary Server One device A man with a cold heart sees lots of profit to be made and attempts a hostile takeover of the good doctors business Nasty internet talk about Doc Anderson and his veiled wife Sue forces a confession about his friendship with reclusive Betti Anderson may have to shoot his way out of this problem to redeem the beautiful people in his life **Nefarious Intentions** Paul John Hausleben, 2023-11-24 Murder Mystery Detective series Crime drama Homicide Detective Lyle Odell returns once again in a new adventure In fictional and very gritty Mohawk City in upstate New York the respected and prominent intellectual and popular educator Doctor Rochester Gilding is the victim of a horrific homicide In his own home on a seemingly calm and placid autumn Saturday afternoon a brutal killer slashes his throat and then in a fit of rage plunges a military knife into the skull of Doctor Gilding To offer up the ultimate challenge to Detective Lyle Odell the victim lived a hidden life On the surface Doctor Rochester Gilding was wealthy popular intellectual professional handsome and charismatic but when Lyle Odell begins to poke around in the victim's life he finds that Doctor Gilding lived a hidden life full of darkness and questionable behavior Since Doctor Gilding lived in a tight knit and crowded community of townhouses and he
