De Oplossing Van Brabant Provinciaal Opbouworgaan Noordbrabant 1947 1987 Essays En Interviews:

Expanding Class Don Kalb, 1997 A unique study of economic change class and social experience in the late nineteenth and early twentieth centuries in the industrial Netherlands *The Politically Correct Netherlands* Herman Vuijsje, 2000-08-30 In the 1960s the Netherlands became known as an anarchists social laboratory producing one of the earliest examples of political correctness Strong taboos in areas such as governmental control privacy and racial relations were the rule While the Netherlands has become a country with a large degree of personal freedom the ideas that originated in the openness of the 1960s have since spilled over from the private into the public sphere resulting in an era of anxious conformity Vuijsje a Dutch journalist examines why notions of political correctness became so strongly ingrained in the Netherlands and how the results have not always been positive The ideology of political correctness created totems and taboos that made it difficult to deal with or even signal the presence of the real problems in Dutch society This has often led to a worsening of the situation for precisely the social groups that society wanted to protect such as racial minorities Vuijsje traces this issue back to historical conditions that include the public feeling of guilt about the large number of Dutch Jews killed in the war the scope and duration of the baby boom and the continuing Dutch prosperity This study is an essay on the way that the Dutch government and its officials have functioned over the last thirty years and on the changing relationship between the authority of the state and its citizens Fully annotated to make it accessible to those less familiar with Dutch society Vuijsje s book offers a perspective of the issue of political correctness that has been muted in the American discussions of the issue and that is especially refreshing His book is of interest not only to student of the Netherlands but also to students of Western society as a whole *In verband met Brabant* ,1997 **Repertorium van boeken en tijdschriftartikelen betreffende de geschiedenis van Nederland** ,1991 **Mens en maatschappij** ,1988 **Bibliografie van de Nederlandse taal- en literatuurwetenschap** ,1987 Aangevuld met de bibliografie van de friese taal en literatuurwetenschap *Brinkman's cumulatieve catalogus van boeken* ,1989 **Tijdschrift voor sociale geschiedenis** ,1989 *Correct* Herman Vuijsje, 1997 *De oplossing van Brabant* Gerrit Kruis, 1987
