Speaking of Homosexuality Joe Dallas, 2016-10-18 Former Gay Activist Paves the Way to Peaceful Conversation. Homosexuality and gay marriage stand among perhaps the greatest defining cultural battles of our age. There's no escaping the inevitable conversations, so how does a Christian respond with love and biblical truth without adding fuel to the fire? Drawing on nearly thirty years of counseling people struggling with homosexuality, former gay activist Joe Dallas takes readers through virtually every argument they are likely to hear in favor of normalizing homosexuality. He helps readers understand the views of LGBT people they may know and respond with clarity, confidence, and compassion. He shows the most effective ways to engage the subject on social media and in everyday encounters with guidelines for talking points, dialogue approach, and tone, and even provides sample dialogue. Anyone who has been searching for ways to have productive, loving conversations surrounding this critical topic will find this incredible resource a must-have. At one time or another, every twenty-first-century Christian is likely to be confronted about his or her views on homosexuality. But how can we approach this challenging issue in a way that faithfully reflects Jesus's heart and mind? Joe Dallas answers that question in this clear and compelling guide for engaging others with both gentleness and biblical truth. Jim Daly, president, Focus on the Family: "I've often said no one understands the subject of same-sex sexuality better than my friend Joe Dallas. This book is his best yet, only confirming my conviction I'm not speaking merely of Joe's formidable knowledge of truth but also the wisdom of its application through crystal-clear and concise communication. In the wake of the June 2015 US Supreme Court's redefinition of marriage, *Speaking of Homosexuality* will equip you to engage a topic that is foundational to human civilization." Hank Hanegraaff
