Ioanna Tourkochoriti,2021-11-11 Two legal systems founded on similar Enlightenment philosophical and political values use
state coercion differently to regulate a liberty at the core of the Enlightenment freedom of expression This comparative study
of France and the United States proposes a novel theory of how the limits of freedom of expression are informed by different
revolutionary experiences and constitutional and political arrangements Ioanna Tourkochoriti argues that the different ways
freedom of expression is balanced against other values in France and the United States can be understood in reference to the
role of the government and the understanding of republicanism and liberty This understanding affects how jurists define the
content and the limits of a liberty and strike a balance between liberties in conflict Exploring both the legal traditions of the
two countries this study sheds new light on the broader historical social and philosophical contexts in which jurists operate
The Pursuit of Happiness Jeffrey Rosen,2024-02-13 A New York Times bestseller and an enriching brilliant David W
Blight Pulitzer Prize winning author of Frederick Douglass examination of what the pursuit of happiness meant to our nation
s Founders and how that famous phrase defined their lives and became the foundation of our democracy The Declaration of

Independence identified the pursuit of happiness as one of our unalienable rights along with life and liberty Jeffrey Rosen the president of the National Constitution Center profiles six of the most influential founders Benjamin Franklin George Washington John Adams Thomas Jefferson James Madison and Alexander Hamilton to show what pursuing happiness meant in their lives and to give us the best and most readable introduction to the ideas of the Founders that we have Gordon Wood author of Power and Liberty By reading the classical Greek and Roman moral philosophers who inspired the Founders Rosen shows us how they understood the pursuit of happiness as a quest for being good not feeling good the pursuit of lifelong virtue not short term pleasure Among those virtues were the habits of industry temperance moderation and sincerity which the Founders viewed as part of a daily struggle for self improvement character development and calm self mastery They believed that political self government required personal self government For all six Founders the pursuit of virtue was incompatible with enslavement of African Americans although the Virginians betrayed their own principles Immensely readable and thoughtful Ken Burns The Pursuit of Happiness is more than an elucidation of the Declaration s famous phrase it is a revelatory journey into the minds of the Founders and a deep rich and fresh understanding of the foundation of our democracy
