Reproduction of the original Letters from a Father to his Son entering College by Charles Franklin Thwing Letters From a Father to His Son Entering College (Classic Reprint) Charles Franklin Thwing, 2016-09-09 Excerpt from Letters From a Father to His Son Entering College Parts of the letters that make up this little book were read to my own college boys at the opening of a college year They represent somewhat but of course only a bit of what I believe many a father would like to say to his own son as I to mine when he is entering the most important year of his college life the Freshman Those who first heard them even though obliged to hear seemed to suffer them gladly They are therefore brought to gether and sent out to fathers and to sons and with a peculiar feeling of sympathy for both the parent and the boy at one of the crises of the life of each About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Letters From a Father to His Sons in College (Classic Reprint) Samuel

Miller, 2015-07-07 Excerpt from Letters From a Father to His Sons in College My Dear Sons You have escaped from the place and the name of school boys and have become members of a college a college not only venerable for its age and standing but also famous as the Alma Mater of a large number of the most eminent men that have ever adorned our country This step will no doubt form an important aera in your lives perhaps more important than either you or I now anticipate In placing you in

this new and responsible situation my feelings have been peculiar and solemn I have looked back upon my own college course in another institution with mingled emotions The retrospect of its advantages its pleasing associations both with teachers and fellow students and the protection and guidance with which I was favoured by a merciful Providence at that season of youthful inexperience and peril never fail to inspire gratitude About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Letters of Father and Son John Douglas Adam,2015-07-07 Excerpt from Letters of Father and Son During College Days My dear Arthur Memories of my own early college days mingle with my thoughts of you as you begin your work in the same familiar surroundings It has occurred to me that it might be profitable for both of us if we were to write to each other upon some of the phases of your experiences which you would not discuss in the ordinary family correspondence Of course it would be strictly between ourselves I am keen in my desire that these momentous years should bring to your promising life that large and full equipment which shall make you a strong and useful man You have the root of

the matter in you You have the vital force at the base of your nature which should make it possible for you to assimilate into personal power all the influences which shall press in upon you You have permitted the eternal realities which are playing upon the spirit of every man to enter your spirit A healthy tree deeply rooted in rich soil is able to gather the influence of rigorous changes of weather into its expanding life About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Book of Cambridge Verse (Classic Reprint) Ernest Edward Kellett, 2018-02-02 Excerpt from A Book of Cambridge Verse Nevertheless after all deductions have been made how much true poetry is yet left He must be hard to please who cannot find intense enjoyment in the Eclogues of Phineas Fletcher in Cowley's epitaph on Harvey in the Miltonic stanzas of Gray's Installation Ode in a score of other pieces grave quaint or classical in their allusive ness of phrasing Especially grateful must we be to the number of poets of exquisite feeling and easy mastery of form who during the last fifty or sixty years have enriched the language with delicate and elegant verse from which it has been only too difficult to choose because its quantity is so great and its merit so even Of this we trust we have given a tolerably adequate selection but it would have been easy to multiply it fourfold About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
