Delta Lui Venus Anaïs Nin Online:

Delta lui Venus Anaïs Nin, 2021-10-28 Traducere și note de Alina Purcaru Un misterios colecționar de crii a oferit lui Henry Miller o sut de dolari pe lun ca să scrie povestiri erotice Miller a acceptat cu entuziasm dar curând a abandonat ideea și i a sugerat lui Anaïs Nin să continue ea Astfel au apărut prozele reunite în volumul Delta lui Venus care se numără astăzi printre cele mai de succes creații ale literaturii erotice ecranizată în 1995 de Zalman King sub același titlu Cititorul care pe lângă lumea îmbibată de erotism a lui Anaïs Nin trebuie să lase prejudecățile la intrare autoarea încearcă să deschidă acea cutie a Pandorei care este sexualitatea feminină înfățișând o submăști felurite nsfirtu e clinice sau pudibonderii suspecte Prostituate voyeuri frigide lesbiene hermafrodiți artiști femeii nădrăgostite bărbăni de o virilitate uluitoare universul lui Anaïs Nin funcționează după legea instinctului ridicat la rang de art Dintre toate femeile pe care le am cunoscut nici una nu se apropie de Anaïs Nin prin grație și frumusețe O aristocrat Dar și o scriitoare cu talent extraordinar Ea aparține acum ntregii lumi HENRY MILLER **Little Birds** Anaïs Nin, 2020-06-11 These 13 erotic short stories by the acclaimed author of Henry and June explore the nature of desire taboo and female sensuality Following her first book of erotic short fiction Delta of Venus Anaïs Nin continues to illuminate the many guises of human sexuality in Little Birds From the beach towns of Normandy to the streets of New Orleans these thirteen vignettes introduce us to a covetous French painter a sleepless wanderer of the night a guitar playing gypsy and a host of others who yearn for and dive into the turbulent depths of romantic experience It is so distinct an advance in the depiction of female sensuality that I felt on reading it enormous gratitude Alice Walker One of contemporary literature's most important writers Newsweek **Venus Among Us** Emory Reginald Abbott, 1983 House of Incest Anaïs Nin, 1958 The genesis of House of Incest was in the dream The keeping of dreams was an important part of that exploration of the unconscious But I discovered dreams in themselves isolated were not always interesting Very few of them had the complete imagery and tension to arouse others interest They were fragmented The surrealists delighted in the image themselves This was satisfying to the painters and to the film makers But to the novelist concerned with human character dramas they seemed ephemeral and vaporous They had to be connected with life It was psychoanalysis which revealed to me the constant interaction of dream and action It was a phrase of Jung's which inspired me to write House of Incest He said Proceed from the dream outward In other words it was essentially a matter of precedence To capture the drama of the unconscious one had to start with the key and the key was the dream But the novelist's task was to pursue this dream to unravel its meaning the goal was to reach the relation of dream to life the suspense was in finding this which led to a deeper significance of our acts Meanwhile a batch of dreams kept for a year served as a takeoff for House of Incest They supplied the atmosphere its climate and texture At the same time I discovered that the dream had to be expanded recreated could not be told literally for then it became as flat and one dimensional as representational realism One had to find a language for it a way of describing atmosphere the colors and textures in which it moved The dream taught me not only the delight of sensory

images but the fact far more vital that they led directly into this realm of the unconscious which Joyce Virginia Woolf and Proust attained in various ways Joyce by free association with words play on words Proust by trusting the free associative process of memory and staying lingeringly in the realm between sleep and waking which resembles the waking dream Virginia Woolf by accepting the vision of the poet as reality House of Incest was like a poem visionary symbolic dream sequences which were woven together Ana s Nin The Novel of the Future Athens Ohio University Press 1986 118 119 Originally published in 1936 House of Incest is Anaïs Nin s first work of fiction The novel is a surrealistic look within the narrator s subconscious mind as she attempts to escape from a dream in which she is trapped or in Nin s words as she attempts to escape from the woman s season in hell In the documentary Anaïs Observed Nin says House of Incest was based on dreams she d had for more than a year Nin s usage of the word incest in this case is metaphorical not literal In this book the word incest describes a selfish love where one can appreciate in another only that which is similar to oneself One is then only loving oneself shunning all differences At first such a self love can seem ideal because it is without fear and without risk But eventually it becomes a sterile nightmare
