The Politics of the Extreme Right Paul Hainsworth, 2016-10-06 Fascist authoritarian anti Semitic and extremist movements made a powerful and devastating contribution to the 20th century While the experiences of the 1930s and 1940s served to delegitimise such forces contemporary Europe and the USA have witnessed the resurgence of extreme right wing politics Rapid socio economic change the appeal of nationalism the failures of mainstream political parties and intense campaigning around issues such as immigration security and unemployment have all fuelled the phenomenon This book a sequel to The Extreme Right in Europe and the USA provides a comprehensive and analysis of the nature and prevalence of extreme right movements in Europe both West and East and in the USA at the turn of the millennium The authors reveal the uneven process of extreme right wing revival which has varied from country to country depending on specific political cultures and circumstances with some movements confined to the margins while others have moved towards the political mainstream They examine the ideas policies personalities organizations voters and reasons for the success of extreme right wing movements in a range of countries as well as providing a more general examination of the nature and politics of the extreme right

The ideology of the extreme right Cas Mudde, 2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license This book provides a comprehensive and detailed analysis of the five main parties of the extreme right in the Netherlands Centrumdemocraten Centrumpartij Belgium Vlaams Blok and Germany Die Republikaner Deutsche Volkunion Using primary research including internal party documents it concludes that rather than right wing and extremist the core ideology of these parties is xenophobic nationalist including also a mix of law and order and welfare chauvinism The author s research and conclusions have broader implications for the study of the extreme right phenomenon and party ideology in general
