

A sepia-toned photograph of a steam locomotive crossing a long trestle bridge over a river in a desert landscape. The bridge is a complex of dark metal trusses and beams, supported by numerous vertical posts. The locomotive, a dark-colored steam engine with a prominent smokestack, is positioned on the right side of the bridge, moving towards the left. A plume of white smoke rises from the smokestack. Below the bridge, a wide river flows, its surface reflecting the light. The riverbanks are rocky and uneven, with some sparse vegetation. In the background, the landscape is flat and arid, with a few small hills visible on the horizon under a cloudy sky. The overall tone is historical and industrial.
