Alex Kouassi,2020-07-09 And the Lie Goes On By Alex Kouassi And the Lie Goes On is about Christianity and the Christian God What makes D Alex Kouassi s story interesting is that he is not an atheist He believes in the existence of a supernatural power a universal God but unlike Christians he does not claim to know about the God that he believes in except that He does not have a chosen people is emotionless and does not require offerings or worships He has no plans for anyone but rewards everyone on a merit basis What makes author D Alex Kouassi s message relevant is that it is realistic and commensurate with the world we live in today s world and not the world of 2000 years ago This book is unique because it approaches the issue concerning the existence of God differently It does not reject the existence of God but it makes the separation between God

the universal God and the man made god of Christianity Kouassi hopes to convey that everything that happens during the course of our lives is entirely our choice and not the will of some supernatural being He hopes the reader can take away that instead of spending hours praying the application of very simple rules can have tremendous impact     **Level Up** Chris Pace,2024-01-16 IF YOU DON T FIGHT FOR YOUR FUTURE YOU WILL FORFEIT IT Does it feel like your life is in a holding pattern while others all around you seem to be moving forward with purpose Do you feel disappointed because you re not where you thought you d be at this point in your life Do you feel frustrated sensing you were made for more but don t know how to attain it Do you struggle with fear and depression desperate to find fulfillment and meaning for your life You re not alone At one point or another we ve all heard these words spoken over us You re full of potential But as life goes on what was once a compliment can easily become a painful critique an ever present reminder that you are not where you could be where you should be One of the greatest tragedies in life is unfulfilled potential all that could have been but never was Sobering isn t it That s why it s not enough to be full of potential unless it s being realized And no one wants to reach the end of their life only to look back with regret **Level Up How to Advance in Your Calling and Never Get Stuck** provides the roadmap that will help you make up for lost time and accelerate your progress propelling you forward     *Elevated by Experiences* Dr. Keke M. Robinson,2017-12-14 *Elevated by Experiences* is an interactive book and workbook that serves as an inspirational and empowerment resource designed to help women to become the best version of themselves and to live their best lives With her relatable and transparent approach and utilizing scriptures affirmations motivational stories and key takeaways Dr Keke shares how to shift your perspective accept and forgive past mistakes cultivate fertilize your dormant seeds pivot challenging situations triumph over hardships and elevate those experiences into a platform that will propel you into an intentional and authentic life that you desire and deserve     **REDEEMED TO RETURN** Dr. Lisa Bruce,2009-08-31 When Adam s eyes were opened for the first time he saw an alternative route outside of the will of God Some would say That day he took a freedom train driven by the human will making every designated stop outside of God s presence Many Christians have gotten on the same train a chosen freighter that can only take us but so far like church and back home again Yet Jesus is standing at the end of the tracks encouraging us to go a little bit further because our Heavenly Father is waiting for us with outstretched arms We were redeemed to return back to the posture of Adam before the fall destined never to fall again unless we desire to lay prostrate before the Lord     **DR3AM** Ashley Guillard,2017-09-18
